

THE BONNEVILLE BUZZ

Wednesday 9th October 2019

Welcome back to a fantastic start of the school year. It was lovely to see you all return after the summer holidays.

Thank you to all parent volunteers who kept our Edible Garden and Forest School well watered and safe over the holidays, our vegetables and chickens would not have survived without you.

It has been a delight to see our children return to school in full uniform and with such a positive attitude for school and learning. Children have settled well in new classrooms and with their new teachers.

A huge welcome to our new Nursery and Reception children and families. Welcome to our Bonneville community!

This year we can see more improvements have been made to our school premises. After many years of focus, the KS1 toilets and cloakroom area has been fully refurbished.

Much work is continuing with our MUGA build. Negotiations with local residents have significantly delayed the submission of our application. This will be submitted before the half term holiday.

The Partnership with Jessop and Stockwell Primary Schools have got off to a magnificent start. Keep an eye out for the publication of our 'Partnership Press' newsletter, updating and informing you on all the developments of the partnership. I will be hosting a 'Bonneville and the Partnership' meeting on Wednesday 13th November at 5pm. All parents are welcome to attend. At the meeting, I will be outlining what the partnership means, how it will work, the benefits for Bonneville and the plan on our continuing Journey to excellence. I look forward to seeing you there.

Ms A. Parker
Lead Headteacher

Upcoming dates for the diary

EYFS Phonics Workshop

Friday, 11th October 9.10am

Well-being Week

Monday, 14th - Friday 18th October

Making a donation

Adult behaviour on school premises!

Please remember to model the interactions and behaviour we expect from the children.

Bonneville is a community school and at the heart of everything we do is the happiness and safety of our children. It is highly embarrassing when parents fall short of remembering this.

UKS2 Year 6 embarked on the annual trip to Blackland Farm this term. The children had a whale of a time climbing, abseiling, canoeing, kayaking and growing even closer as a team. The trip encourages independence and team work skills and a great time was had by all.

Applications for secondary transfer are now open. If you need help with this, please see Miss McIntosh who will be able to assist. Dates and times for secondary school open days are now available on the Lambeth website. The application deadline is Thursday, 31st October, midnight.

Cooking Lessons at Bonneville

Every term all children have a cooking day. This is a lesson delivered by their class teacher which focusses on the development of cooking skills as part of our cooking curriculum designed by (including the training of school staff) Michelin star Chef, Adam Byatt. The curriculum is progressive and aims at developing a skill for life. The lessons have been highly endorsed by our children, with budding Chef skills appearing across the school. Please engage with this curriculum by discussing with your child what they have learnt on their cooking days. Perhaps they can share some of their skills with you in the kitchen at home.

FAB Chair needed!

Do you have the skills we are looking for:

- Organised
- Friendly
- Community spirited

We would love to help form a team around you to become our FAB (PTA) Chair. If you are interested or would like to make some initial enquiries, please contact the office and I will get back to you.

KS1-Thank you to everyone who attended our Phonics workshops this term.

Reminders!

Year 1 Topic, 'Toys' the children are off to The Museum of Childhood on 18th November.

Year 2 Topic, Inspirational People.

Year 6 at Blackland Farm

Bike It Market

Tuesday, 15th October 8am-9am in the KS1 playground

Being ready for learning! Please ensure your child attends school in the correct school uniform (visit the school website for details) and is well equipped for the day with PE kit, packed lunch (if appropriate) homework and reading book.

All children should attend school with hardwearing robust footwear suitable for playtimes as there are no opportunities for them to change footwear during the school day.

Your PE day!

Reception-Monday (Children wear kit to school for the day)

Year 1- Tuesday & Thursday

Years 2- Wednesday & Friday

LKS2- Amazing start to term for both year groups and their lining up is fantastic. 4W have been winning so far but all classes are trying so hard and working as a team to get points for their class.

Can parents please stay off the meadow in the mornings to allow the children to line up!

The children are very settled and focussed on their learning. Already great pieces of homework are being brought in and children's enthusiasm for learning in class so far has been wonderful to watch.

Year 3 have an exciting Science day coming up. They will be asking parents to help with some resources including soil, stones and worms! Please look out for a letter with more details. Year 3 have also been off to The British Museum this term. We look forward to hearing all about it when they return.

Parental Responsibility

If you are a non-resident parent with parental responsibility please ensure you provide the administrative team with your contact details. For further information please read our Parental Responsibility policy, which can be found on the schools website.

Clubs Please can parents/carers remember to **collect all children at 4:15pm promptly** from the KS1 hall using the Year 2 door.

Local Trips Sometimes it is necessary for us to take the children on local trips, this can vary from visiting the post Office or going to the common for outdoor learning or sport activities. As these destinations are familiar to us the usual risk assessments are in place to make these visits safe therefore, we do not seek permission for these local trips but you will be informed when they happen. Requests for local trips will always be made to The Headteacher.
