

BONNEVILLE

PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 14th February 2020

Dear Parents/Carers,

Year 1 will be visiting the Science Museum on **Wednesday 1st April**. This will support the children's learning of our 'Blast Off!' topic.

At the Science Museum, we will be attending the interactive show 'Destination Space'. Whilst at the museum, we will also take the opportunity to explore the moon landing exhibition as well as interactive areas supporting our topic.

The cost of this trip will be **£4.00** for the 'Destination Space' session which is taught by museum staff.

Please let the Year 1 teachers know if you are interested in helping on this trip as we will be travelling by public transport and will need parents to assist us on the journey and at the Museum. **Teachers will inform parents if their help is required.**

Children will need to bring a packed lunch in a named bag (plastic is fine).

Please login to your scopay account, click onto the '**Trips and Events**' tab, where you will be able to give permission for your child to attend the trip, whether you need the school to provide your child with a school packed lunch and if you are interested in helping on the trip.

Many thanks

Year 1 Class Teachers
Miss Gibbon, Miss Corbett and Miss Monet
