Success for today, prepared for tomorrow

Thursday 7<sup>th</sup> May 2020

Dear Parents/ Carers,

Thank you all for sticking at it and for all your incredible support.

We are already planning our transitional resources and adapting our curriculum to support our children's accelerated progress when they return. So, if you are able to keep their brains stimulated by engaging with Virtual School, in some way, you are doing great!

### **Friday 8<sup>th</sup> May Bank Holiday- Reminder**

As it is a Bank Holiday, and school would usually be closed, there will be no 'Virtual School' uploads or resources for that day.

The onsite provision will also mimic that of the Easter Holiday provision and be only open for Key Worker children. Therefore, places allocated to those who are Vulnerable or with Education Health and Care Plans are not expected to attend on that Friday (tomorrow).

### **Virtual School- New information**

### Additional Resources for Parents and Carers' folder

I would like to draw your attention to the additional resources in the 'Additional Resources for Parents and Carers' folder. Inside you will find, educational resources by the pharmaceutical company Pfizer Ltd and wellbeing resources by the NHS along with a plethora of other resources.

### Supervision

As part of your due diligence to safeguard your child/ren, please be reminded to practice your e-safety responsibilities with your child/ren by regularly checking in and supervising their use of the internet. This also includes their use of our 'Parents, Carers and Pupils: Questions about Virtual School resources' sheet, in our 'Virtual School' portal. Again, it is vital that it is used in the manner that is intended by our school. Any misuse of this tool will result in the removal of this facility.

We expect the resources will be used just how we intend, enabling everyone to enjoy the added interactivity that will benefit us all.
