

Topic Homework Year 2

Dear Parent/Carer

This topic homework will be an ongoing activity for the Autumn term to be brought into school before the Christmas holidays. This homework will be practical, with the aim that children can research in more detail parts of the topic that have particularly interested them in a fun and supported way.

This homework will be displayed in an exhibition for **children only** together with work completed in class. During this event, we will take plenty of videos and pictures so that all parents and carers will still feel involved.

If you have any queries, then please email the office who will forward it onto your child's class teacher.

Thank you for your support and we hope you have fun with the homework!

Kind regards,
Year 2 team

Please see overleaf for a list of homework ideas. Children can choose to complete one or more pieces of work.

Inspirational People

This term we will be finding out about inspirational people and how their work impacted the world.

Home Activities:

1. Create a portrait of an inspirational person. You could draw, paint, collage or make a model.
2. Make a contribution to your local community. For example, raise some money for a charity or spend some time supporting a local cause. You could take photographic evidence.
3. Choose a famous person who is inspirational to you and create a fact file.
