

# THE BONNEVILLE BUZZ

Friday 14th February 2020

Happy New Year!

What an incredibly busy term. Thank you to everyone for your attendance at various events and your support over the term.

We currently have a Reception parent leading on the development of our front garden. We feel very fortunate when the skills of our local community are used to develop and improve our school. Look out for our 'Family Day' where you can get practically involved in the development of this area.

This year we received 198 applications for our 60 Reception places. We are excited about how Bonneville continues to grow and look forward to welcoming our new families in September.

Have a safe and enjoyable half term break.

Ms A. Parker  
Lead Headteacher

## Attendance Winners!

**KS1**

2C 99%

**KS2**

5W 98.1%

Well done keep it up!

## School Council

School Council were involved in supporting members of the local 'Silver Social Club' on Tuesday, January 28th at The Church of the Holy Spirit. They helped some of the older members read numbers, as part of the club's weekly Bingo game and perform tricky exercises as part of their Keep Fit class. The older members of the community who attended and the School Councillors from Years 4 & 5 thoroughly enjoyed the experience. School Councillors from other year groups will be teaming up with more members of the 'Silver Social Club' in the coming weeks to participate in an Art & Craft and Technology session.

## Autumn Term 'House Points' Winners!

Congratulations to the 'Red Robbins' who achieved the most house points across the school displaying exceptional behaviour in line with our school values.

## Our February value is Love

### Friends Association Bonneville (FAB)

Thank you to everyone who attended the Spring Term Planning meeting. Details on the outcomes of the meeting are outline in the FAB newsletter that you should have received and can be found under the parents Tab on the schools website. We have also displayed the full accounting of activities in the FAB display cabinet in the playground, outside the schools office.

I would also like to extend my gratitude to everyone who brought cakes at our 'Valentines Day Cake Sale' and attended our Wine Tasting Quiz night. As usual, a wonderfully fun evening was had by all.

### Royal Trinity Hospice

Royal Trinity Hospice Mini Easter Eggs will be on sale after half term to help raise money for this incredibly important local charity. The eggs (and their cute hand knitted covers) will be available to buy from the front office for £2. All your support is much appreciated.

## Upcoming dates for the diary

### Children Return

Monday 24th February 2020

### Reading Week

Monday 2nd March - Friday 6th March

### KS1 Reading Workshop

Wednesday 4th March, 9.10am

### Mindset Theory Parent Workshop

Wednesday 4th March, 5.30pm

### World 'Dress up' Book Day

Thursday 5th March

### SATs Workshops

Year 2- Monday 9th March, 9.15am & 2.30pm  
Year 6- Thursday 12th March, 9.15am & 2.30pm

### Open Morning

Wednesday 11th March

### Steven Lawrence Day

Tuesday 17th March

### Bring a Female to School Day

Friday 20th March

### Lambeth Music Festival

Monday 23rd March

### Topic Theme Day

Friday 27th March

### Parent Consultations

Tuesday 31st March

Wednesday 1st April

### Easter Bonnet Parade

Friday 3rd April

### Last Day of Half Term

Friday 3rd April, 1.30pm

## Sport Update

Congratulations to our team for their recent victory over VGP with a 4-0 win. Well done to Van Gough Primary for their incredible team spirit and for putting our team through their paces. The Lambeth Football league is getting very tense with only 2 games of this season remaining and we are still at the top of the leader board. Regardless of the outcome, Bonneville has been on an incredible 5 year journey with the engagement and improvements of our sports provision over the years. We are proud of all of our children who have represented our school in a variety of sports over the years and we wish our football team the very best of luck!

**Guess whose coming to Bonneville...**

This term we have been in talks with J'amies Gymnastics Academy who are keen to set their first academy in South West London at Bonneville! This will be a Saturday club that we are planning to host for the community after Easter. Keep an eye out for more information.

# MUGA

(Multi Use Games Area)

**'Let's make it happen!'**

Thank you to everyone who supported the planning application. I am aware that the portal went rogue, with many of the previous comments not appearing. Our 'Project Management Team' have been in touch with the case officer who has assured us that he has access to the comments provided.

I will keep you updated on the outcome of our application.

## Autumn Enterprise Event

**'Festive Marketplace'**

The outcomes of each year groups business ventures are as follows:

Nursery - £102.80    Reception - £122.70    Year 1 - £35

Year 2 - £56.80    Year 3 - £112.52    Year 4 - £92

Year 5 - £95.86    Year 6 - £80.95

Hmmm, with all this money made I just might start charging an interest rate on my £10.00 investment at the beginning of the year!

Well done everyone on your incredible efforts, Reception are currently the front runners with the most money to spend on the Summer trip of their choice. We look forward to the unveiling of the Spring Term Enterprise theme.

## Lambeth PS 6-A-SIDE Football Lge

### League Table

POS		P	W	D	L	GD	PTS
1	Bonneville Primary	14	14	0	0	96	42

18	Christchurch	14	0	0	14	-68	0

## Governor Away Day

Last Saturday, Governors and members of the Senior Leadership Team came together to review our schools vision and define our 3 year Strategic Plan. The Leadership and Management of our school are clear on the progress we have made against our whole school drivers, which defines the uniqueness of our curriculum against our schools context. We will share our strategic plan on how we will build on this in due course.

## The Uniqueness of Our Curriculum Recap!

Our 5 drivers are the themes that run through all subject and everything we do. They are the areas we identified to plug the 'cultural capital' gaps within our community.

Below is a list of our drivers and some of the opportunities we create to explore them.

### Enterprise

Termly Enterprise events and Topics within our curriculum.

### Wellbeing

Annual, 'Wellbeing week', 'Anti-bullying Week', 'Resilience Week', Mindset Theory, Cooking Curriculum, Sport.

### Communication

'Closing the Vocabulary GAP' - Word of the week, Talk partners, Talk for writing.

### Possibilities

Career Fairs/Speakers/Trips/Aim High, Sport.

### Outdoor Learning

Forest School/Trips/Residential trips (yr6 & yr4)
