

# THE BONNEVILLE BUZZ

Tuesday 17th December 2019

As we come to the end of the Autumn Term, I would like to thank all of our staff for all the hard work they have put into making our school such a special, nurturing, safe and inspiring place for our children to enjoy learning everyday.

Thank you to all those who attended our Christmas events, including the EYFS Nativity, KS1 and Year 3 plays. The Christmas Concert this year was a real treat, all three choirs performed spectacularly. The high quality delivery of passages read by our year 6 pupils was most impressive and our tableau performed by year 2 was truly magnificent.

This has been the first term of our Partnership arrangement with the Jessop Stockwell Federation where lots of improvements, progress and impact can now be seen. As part of this, we would like to congratulate on their promotion as Strategic Subject Network Leaders across our Partnership. Ms Ingham will lead the English Network Team, Ms Henderson the Maths Network Team, Ms Cramer the Science Network Team and Ms Napier the Creative Curriculum Network Team. Well done to you all! Keep an eye out for the 'Partnership Press' Newsletter, which will update you on all the partnership work that is happening.

Today we say goodbye to Ms Katie, one of our Reception Class Teachers. Ms Katie has secured an Early Years Leadership role at a school in her hometown of Nottingham, where she will be moving back to over the Christmas Holidays.

Thank you all for your hard work, we wish you well for the future.

In the New Year we will be welcoming Ms Stead, Additional Early Years Teacher and Ms Greenland, a new Class Teacher who will be taking over Class RF. Ms Greenland has already met her new class and some of the parents last week. She is thrilled to be joining us. We look forward to welcoming them both to our Bonneville community.

Finally, I would like to wish all pupils and parents, from all the staff and governors of the school, a very Merry Christmas and Happy New Year.

Ms A. Parker  
Lead Headteacher

**Our January value will be 'Freedom'**

## Christmas Concert

Thank you to everyone who attended our Christmas Concert this year. A wonderful combination of year 6 readers, our choirs, our year 2 Tableau children and a beautiful venue ensured we ended the year feeling reflective and excited in equal measure. Well done to all of our children and thank you to Reverend Ruth for making us feel so very welcome.

## Upcoming dates for the diary

**Enterprise** The 'Festive Marketplace' was the first enterprise event of this year. As usual, the children were highly enthused by the event which is designed to provide our children with real life experience of business. Thank you to all the parents who supported their class with product making and materials. We have definitely seen an up levelling of product ideas with winter soup and hot chocolate for sale. Thank you to everyone who supported the event by coming along to spend money with us. As soon as I hear the results of the year group that made the most profit, I will let you know. A huge thank you to Ms Neale who, galvanised the staff team with such passion by organising our termly events.

**Christmas Lunch** Thank you to Tina and her team for providing our lunches all year round and making our Christmas Lunch feel special. We all had lots of fun eating, singing and enjoying the festivities together.

### Topic Theme Day

Topics this term have been so much fun. Staff have created many memorable learning experiences which all came together on our Topic Theme Day. With amazing homework and themed costumes we hope you all enjoyed the exhibition.

# MUGA

(Multi Use Games Area) 'Let's make it happen!'

The planning application is now live on the Lambeth Planning Portal. Our reference number is 19/04231/FUL. Please log on and support the application.

**Clubs Next Term Start**

20/01/2020

**Friends Association Bonneville (FAB)** Thank you to everyone who has been involved in the organising and hosting all of our events this term. We just couldn't achieve all this without you. The Winter Fair was absolutely fantastic! The children enjoyed all the games and arts and craft activities. Santa was incredibly busy meeting all the children, spreading his Christmas cheer. Congratulations to our Christmas card design winner Willow Gardner Yr6. Your artwork looked amazing on all our Winter Fair posters. Thank you to Lola and Natalie for all the hard work and effort you put into making our Winter Fair such a spectacular event. Our 'Wreath Making' workshop was also exceptionally well attended. Thank you to Lindsay for sharing your crafting skills with us and hosting another enjoyable community event for our school.

Have you got your **Bonneville Calendar**? Ensure you grab yours, we can't guarantee they won't be sold out soon!

We are pushing hard on our fundraising this year in order to improve our playground by 'Making our MUGA happen'. All funds raised go towards our MUGA project. The estimated target is £100k.

The next FAB Spring Term planning meeting will be on **Tuesday, 21st January 7pm**.
