

THE BONNEVILLE BUZZ

Friday, 18th September 2020

As we come to the end of another week, I would like to thank you all for your support. A sense of community effort and understanding has been really tangible throughout recent months, in particular, since our return.

Please remember every Friday school ends at 1pm and 1.15pm, until further notice. It is vitally important that you remember to collect your child on time so additional cleaning and sanitising of the school can take place.

Well done to year 5 who have been learning from home this week. We have been monitoring your engagement and interaction in Google Classroom and are really impressed with how you have continue your learning. A massive well done to the entire year 5 teaching team for adapting so swiftly.

Have a lovely weekend.

Ms A. Parker
Lead Headteacher

Important Dates For Your Diary

Secondary Transfer Meeting

Wednesday, 23rd, September, 5pm

Virtual Consultations

WC 19th October

End of Term

Friday, 23rd October 3.15pm

Extra Curriculum Clubs start Next Week

Extra Curricular Clubs for Years 1 - 6 will start on Monday 21st September. Booking forms have been online since Tuesday, 15th September 2020. Please ensure you have a confirmed place, if you expect your child to attend.

Inclusion

We would like to welcome Claire Watson, who is our new Speech and Language Therapist working weekly at our school. She will be supporting individual and groups of children across all year groups. If you have any concerns about your child's Speech and Language development, please contact Mr Connelly, he will be happy to discuss this with

FAB Update!

FAB (Friends Association of Bonneville) Virtual Meeting Wednesday, 7th October at 9.30am

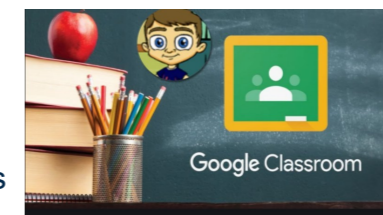

To join the meeting, click this link- <https://meet.google.com/gqz-obkm-jtv>

As all Bonneville parents are members of FAB, everyone is invited to attend. If you are a new parent to Bonneville, it is an opportunity to get to meet more of our community and join in to support fundraising and school improvement ventures. This year, we will need to be really creative about how we continue to engage socially as a community, so get your thinking caps on (the more the merrier!)

Google Classroom Homework

From today, children from years 1 to 6 will be required to access their homework in Google Classroom. If you have not already done so, please ensure you have set up your child's login using the information previously sent by the Administrative Team.

NEW LOOK WEBSITE COMING SOON!

School Meals

The school meal menu is now live on Scopay. Please use the menu to confirm your child/ren's lunch options for the week.

Option 1 – is for menu 'B'
Option 2 – is for menu 'C'

Did you know?...

- Did you know that year groups do not mix. This includes during playtimes and use of equipment
- Did you know that staff members are also allocated to year group bubbles, and do not mix with each other or any other year group
- Did you know that only key staff members are allocated to supervise year groups from a 2 metre distance
- Did you know that although we are all onsite, staff meetings are still delivered virtually to reduce viral load and transmission risk
- Did you know that we are creating an environment that significantly reduces chance of the virus incubating in our school. We do this by regularly cleaning and cleansing surfaces, equipment and our hands
- Did you know that only six staff members are allowed in our staffroom at any one time
- Did you know that children have lunch in their year groups bubbles in a designated space allocated to them, every single day
- Did you know our enrichment clubs, Reading Café and Carry on Café are also delivered in year groups areas
- Did you know that the keypad on the photocopiers get sanitised
- Did you know the lower transmission rates are child to child
- Did you know that isolation advice can be different, depending on the circumstances of each individual case

You will always be given the information you need, to keep you, your children and families as safe as possible!
