

THE BONNEVILLE BUZZ

Friday 18th October 2019

Thank you for your support this term. We have had a very busy start to the year, with the numerous events across the school. Teachers and support staff have worked incredibly hard, we appreciate your commitment.

Wellbeing week has been successful, with a different daily focus where children have thought more about healthy hygiene, exercise, healthy eating, mental health and staying safe. Thank you to Mr Connelly and Ms Auton for the plethora of assemblies, workshops and events that have engaged and motivated the children this week.

Thank you for all the work achieved by parents at our Family Day last Saturday, despite the poor weather.

Concerns around the loss of pupils jumpers have been brought to my attention. Please ensure you label all items of your children's belongings and check that they are returning home with items that belong to them. Please make an effort to return items that do not belong to you. Although we cannot take responsibility for lost items, to support our children with locating their belongings, every classroom will have a jumper box. Should children feel warm during parts of the day, they will be encouraged to leave their jumpers in the classroom, rather than losing them outside or in the cloakrooms.

On Wednesday, 13th November, I will be hosting a parents meeting presenting our developments and updating you on our whole school priorities. The session will run from 5pm to 5.45pm, all parents are welcome.

Keep safe over the half term break. See you on the gate at 8.55am on Tuesday 29th October.

Ms A. Parker
Lead Headteacher

LAMBETH GIRLS FOOTBALL GAMES 2019

Congratulations to the Girls Football Team

A massive congratulations to our girls for defining themselves as the 2nd best Girls Football Team in Lambeth. The Bonneville community is feeling exceedingly proud of our team who displayed great talent, skill, integrity, resilience, friendly and competitiveness. A single penalty delivered by Henry Cavendish during extra time, won them 1st place. Congratulations to Henry Cavendish, and well done us!

UKS2- Year 6 have enjoyed making healthy salads for wellbeing week and have enjoyed debating on various matters in relation to mental health and well being. One of the debate was whether or not video games were good for their mental health.

There has been excellent quality of homework in Year 5 for their Topic on 'Time Travellers.'

Applications for secondary transfer are now open. If you need help with this, please see Miss McIntosh who will be able to assist. Dates and times for secondary school open days are now available on the Lambeth website. The application deadline is Thursday, 31st October, midnight.

EYFS

Reception enjoyed their Forest School trip to Clapham Common. Thanks to all the parents who supported on the trip.

We are also hugely appreciative to all parents who attended our phonics workshops this term.

KS1

Year 1 attended a trip to Clapham Library this week. The children had the opportunity to find their favourite books and learn how to borrow books from the library.

Thank you to all parents who attended phonics workshops.

Thank you to Company Perform for delivery drama workshops to children in Reception, year 1 and year 2. The children joined in enthusiastically, thoroughly enjoying their session.

Year 1 Art Workshop on Mental Wellbeing

LKS2- Year 4 had a fun and exciting trip to Clapham library. Children were impeccably behaved and were fantastic ambassadors for Bonneville. Each child was encouraged to borrow books and all children have loved reading their books both in class and at home. The children have been specifically talking about how much they have loved learning in maths this term as well as loving everything about their topic on the Romans.

Year 3 had an amazing Science day. They are learning all about a sustainable world and made mini compost bins. During their trip to the British museum, the children were able to see all the artefacts from ancient Egypt and were able to articulate knowledge and facts independently. The cookery day was full of fun and excitement of making energy balls and fruit smoothies.

Whole School Topic Homework Exhibition Friday, 6th December

On 6th December, following our whole school Topic theme day, there will be an exhibition of Topic homework and Topic work from the Autumn Term. All parents are invited to visit our exhibitions from 3.15pm in the halls

Road Safety

Bikeability Road Safety has been very popular this term. Children from across the school have shown high interest in embarking on this training, demonstrating the commitment within our community to sustainable travel.

Our October value is Tolerance

Parental Responsibility If you are a non-resident parent with parental responsibility please ensure you provide the administrative team with your contact details. For further information please read our Parental Responsibility policy, which can be found on the schools website.

Attendance Winners

KS1– Joint winners 2C & 2H 99%

KS2- Joint winners 3L & 4J 100%

FAB Thank you to Carol O'Gorman for agreeing to be the Chair of FAB for the next academic year. Carol is very much looking forward to working with parents on delivering our annual FAB events, focussed this year on continuing to develop our school playgrounds. So far this year FAB hosted 'BINGO Night'. Thank you to everyone who attended and spent money with us. The evening raised an incredible £800 raised with great fun had by all. **Quiz Night is scheduled for Thursday, 14th November at 8pm– get it in the diary!**
