

Early Bird News!

Reception

23.10.20

What have the children in Early Years been learning this week?

Literacy

In Literacy we have been reading "I'm Special, I'm Me." We have looked at the key features of a book such as; author, title, illustrator, blurb and cover. The children have also been retelling the story and attempting to sequence the pictures in order.

In phonics

Miss Greenland's group: o, c, k & blending and segmenting CVC words.

Miss Chaumet's group: g, o, c & blending and segmenting CVC words.

Miss Cramer's group: g, o & blending and segmenting CVC words.

PSED & KUW

For PSED and KUW, we discussed the importance of being who you want to be during play. In the story, the main character Milo transforms into different and individual characters. The children have used this story as an opportunity to think about who they love to play as and what their characters are like.

Maths

This week, we have continued to consolidate our learning on 2D shapes. The children got to create their very own shape picture using 2D shapes. They also played 'guess the shape' - the class teacher would describe a shape using key vocabulary and the children would guess!

Key vocabulary:

Sides, straight, curved, flat and corner.

At home

What a fantastic start to the term! These 7 weeks have flown by and now it's time for a little rest. It is important that your child has a restful week but if you would like to do some extra work, please do.

For phonics, you can support your child by reviewing all the phase 2 sounds they have learnt to far and encouraging them to start reading.

For maths, make sure your child is confidently recognising numbers from 0 to 10 as well as consolidating their knowledge on 2D shapes. Thank you!

Inside the classroom!

This week, the RC & RG children created their very own shape pictures using 2D shapes. We saw a variety of pictures from cats to people to dogs to rockets!

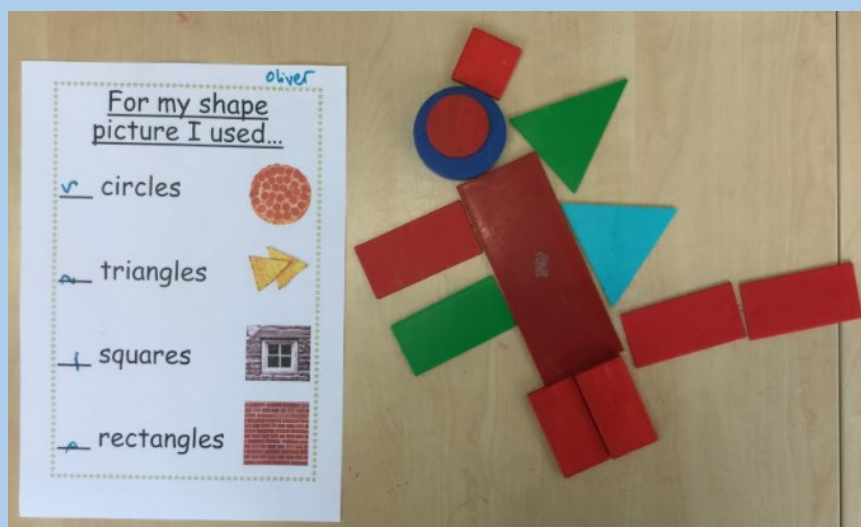

Arya created a picture of a flower and a cat.

Freddie created a picture of a train.

Sebastian created a picture of a treehouse.

Oliver created a picture of a dragon.

Scarlett created a picture of a train.

Thank you for your support
Happy half-term!
