

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Tuesday 10th November 2020

Dear Parent/Carer

As you will be aware, our children were not able to complete the Year 1 Phonics Screening Check in June 2020. The government has therefore requested that all year 2 children should take this missed screening test during this Autumn Term.

As was discussed at last year's phonics workshop, the screening check consists of 40 words, 20 real words and 20 made up words that children will be required to decode using their phonics knowledge. This check only takes approximately 10 minutes and will be administered by myself, in a relaxed environment.

In order to support your child with this screening check, please continue with daily reading sessions and also supplement this with the use of "Read with Phonics" an online platform that Bonneville has subscribed to. You may also like to use "Phonics Play", as this website has lots of interactive games. Details of how to access "Read with Phonics" has been sent to you via your child's Google Classroom account.

You will later receive a report of your child's achievement in this phonics screening check and additional support will be provided for your child if necessary.

Please email me using our admin address or Google Classroom if you have any queries.

Thank you for your support.

Martine Auton
Assistant Head EYFS and KS1
