## PRIMARY SCHOOL

*Success for today, prepared for tomorrow*

Thursday 12<sup>th</sup> November 2020

Dear Parents/Carers,

As you may know, Ofsted is currently visiting schools to find out about how England's education system is managing the return to full education for pupils, following an extended break in formal schooling due to the COVID-19 pandemic. Ofsted will be carrying out a remote visit of **Stockwell Primary School on Thursday 12 November 2020**.

Please note, this is not a full inspection visit. The information collected will not form part of making any judgements about the school. It is a discussion with Leaders to find out what we are doing and the challenges we have come up against, during this challenging time.

We are thrilled to have the opportunity to share the incredible work of Leaders and staff across the Partnership, as part of this information gathering exercise for Ofsted.

Regards,

Ms A.Parker  
Lead Headteacher
