

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Thursday 12th November 2020

Dear Parents and Carers,

To help you to support your children's learning at home, we have organised a number of parent workshops that will take place after school. During these workshops, subject leaders will outline the curriculum intention for their specific subject, give an overview of the expectations for different stages of learning through the school and explain what you can do to support your child at home.

The information for each workshop is below. Please access the workshops, either through your web browser, by clicking the link below, or by using the short code within the Google Meet app on your phone or tablet.
