Parents Virtual Workshops

Dear Parents/Carers,

Thank you to all those who attended the Humanities Workshop yesterday evening, hosted by Ms Napier the Strategic Leader for Humanities and Topic Curriculum across the Partnership.

I am aware that many of you had problem accessing the meeting, which was not a technical error but an administrative one.

In future, there will be an additional staff member from the Network Team who will continue to admit parents throughout the duration of the presentation.

As we would not want you to miss a thing, the Humanities workshop will be delivered again on **Monday 14th December 2020 at 5pm.**

Please see below the dates and times of our future parent workshop to add to your diary. The presentation for all workshops will be uploaded to the schools website after the session.
