

BONNEVILLE

PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 20th November 2020

Dear Year 4 Parents/Carers,

Yesterday, I conducted an assembly with the year 4 children to remind them of our school rules and acceptable learning behaviour, conducive to enabling all children to thrive.

As part of this, some short term measures have been put in place to remind children of what is expected. For example, how to line up, move around the school and noise level during lunch times.

This is by no means unusual. From time to time, year groups need reminding of our expectations, in order to maintain positive behaviour across the school.

This is an internal school function and not a process that I report to parents; however, on this occasion, I am writing to let you know as the usual mechanisms to speak with school staff are not as easily accessible during this current time.

As a result of our high expectations, our children's behaviour and attitude to learning on the whole is exemplary. I am in no doubt that year 4 will settle and return to this.

Please be reminded, you can call or email the school office to arrange a phone call from teachers, should the need arise.

Thank you for your support.

Regards,

Ms A. Parker
Lead Headteacher
