

BONNEVILLE

PRIMARY SCHOOL

Success for today, prepared for tomorrow

Monday 30th November 2020

Dear Parents and Carers,

In order to promote our children's attainment and enjoyment of reading, we would very much like to continue with our fantastic 'Secret Reader' videos that took place over Virtual School prior to the summer holidays. At this time, children had the opportunity to listen to a story from a teacher or parent virtually, over video, so that they could continue to enjoy a wide range of texts at home. These videos were uploaded to Virtual School and watched by many children at Bonneville. I can assure you that the children loved engaging with all of the different stories, and were particularly hooked by guessing who the next reader was going to be! We would very much like to continue our story telling sessions, this time in a live video format.

However, in order to continue this, we need your help! We would be delighted if you were able to read your favourite story to your child's year group over video. This storytelling video will take place live, during the very last part of the school day.

If you would like to participate in this, please send a message to your child's class teacher over Google Classroom and we will give you more information about what to do.

Any help would be highly appreciated to further promote the love of reading at Bonneville!

Best wishes,

Miss Corbett

English Subject Leader
