

THE BONNEVILLE BUZZ

Friday, 6th November 2020

Welcome back!

This week we have seen the implementation of School Streets, much to the delight of many. The first week of the trial has gone really well. Some year 6 pupils have written to local residents thanking them for their support and reminding them that they may still have access to the road during this time. I ask that you all remain aware of this, at times, residential access will be required, despite most residents not using their vehicles during this time of day.

I would like to extend our gratitude to the FAB representatives who create our wonderful newsletters. A lot of time and effort is going into maintaining our fundraising and sharing the information in the Newsletters, so thank you.

This week we launched our new website, I do hope you have all had a look. We are working hard to ensure the information is up to date, relevant and easily accessible to support the challenges we are all facing.

In due course, you will receive a Partnership Newsletter to keep you informed on how that is going and the opportunities working in a partnership is presenting for our community. Keep an eye out for it.

We are aware of the challenges many of you will be facing as a result of the latest lockdown measures imposed by the government. The silver lining being, we remain open for our children including our after school provision, so, business as usual!

Have a lovely weekend, enjoy the rest of the Buzz !

SCHOOL STREETS CLOSURE

7.45am - 9.15am

2.15pm —3.45pm

Bonneville Primary School
Bonneville Gardens
London
E16 4 9LH

Dear local resident,

I am writing to you to explain you on the closure of Bonneville Gardens. It's a local matter, I understand your frustration at this. However, I as a Bonneville Primary School staff who believe that this change will have good results. If you would allow me to explain this, I am certain that you will see the benefits of this part closure.

School streets began on the second of November 2020 as a way to help children reach and leave school in safety. It was also created to stop children from being in health in polluted air, mostly the idly engines. School streets also helps with social distancing, as children have to stand outside the school premises when lining up for class.

As I have mentioned previously, I understand your frustration in having to endure this. Therefore, I am delighted to inform you that local residents will still be able to access the road during closure time. However, I personally ask you to be more aware than ever of

Children in year 6 had their Art day on Tuesday and produced these wonderful Sgraffito pieces of work. We took our inspiration from the people of the Surma tribe who live in Ethiopia.

Year 5 started the term by writing a letter from Bess to the highwayman - they thoroughly enjoyed being back and were engrossed in the task.

The Value for November is Simplicity

FAB Have you seen the latest FAB Newsletter sent out this week? If not your missing out, so check your inbox.

FUNDRAISING THIS YEAR WILL BE VITAL

Donations may be eligible for gift aid – please email fab.treasurer01@gmail.com for a gift aid form and return the completed form via email to allow gift aid to be claimed.

Festive scavenger hunt- help needed please.

FAB are putting together a fun, COVID safe activity to do with your children over the festive period. It should provide some festive entertainment and exercise, as well as raise funds for the school. We need families who are willing to have their house marked on the trail map and to display some Christmas decorations at the front of their house. The children will be looking for an item hung on your front gate / D&G board (basically near the street), that we will deliver to you prior to the event. Houses will need to be decorated by 12th December.

If you are willing to add some festive sparkle to your house, please could you reply to your class rep, with your address.
