

THE BONNEVILLE BUZZ

Friday, 23rd October 2020

We have made it, after all the speculation of schools returning, we have made it to half term. I cannot thank you all enough for the immense support you have shown me and our team, it really has meant so much. Thank you to all the staff for your resilience during what has been a very challenging

time for us all. Your commitment to providing onsite education for our children is what has made it possible. Our children have ended this half term reunited with their friends and are happier.

During the half term break, there very well may be government updates for schools. Please be confident in knowing, that if there are any changes affecting our school, I will be in touch by email. Today, Lambeth Council have agreed to fund Free School Meals during the half term holiday for all children currently entitled to Free Meals at school. This fantastic news means entitled families will receive a £15 voucher, per child, from the school so keep an eye on your email. Have a wonderful half term break; keep safe and remember to look after each other. See you at the gate on Tuesday 3rd November from 8.45am/9.00am. Enjoy the rest of my Buzz updates!

FAB Dress Up Day!

Thank you FAB x

Lower Key Stage Two

Year 4 pupil feedback this week!

Lydia: I have loved having wellbeing time at the end of the day. It's been nice to do drawings and relax in the classroom and calm down.

Abdi: I like learning new things on Mondays, because on Mondays our new learning for the week is introduced and I like that.

Emile: I really like the hot food at lunch.

Theo: I liked when the term started and we got to see our friends. I'd forgotten all the fun things we do at school like PSHE, assemblies and RE.

Beatrice: I enjoyed making coins on art day, we don't normally get to use these materials, so it was fun using clay.

Noah Sholi: I've enjoyed seeing all my friends again.

Remember J'amies Gymnastics Academy is at Bonneville on Monday during the half term, with 10% discount for all Bonneville children. If you are interested and just have not signed up yet please visit <https://jamiesgymnasticsacademy.co.uk/>

Bikeability yrs 5 & 6

From 9th to 13th November, Level 1 and 2 Bikeability training will be available for children in years 5 and 6. If you are interested in your child gaining this qualification and experience, please ensure you fill in the form that was sent to you on Monday, 19th October and return it as soon as possible. Remember to check your inbox before requesting another form.

It's finally here...

Warming up for Winter!

Due to a successful week of serving hot meals, and the financial contribution from FAB, we will be resuming our hot meal lunches after half term. In order to make the handling of hot meals work, in line with our risk assessment to manage the virus, £2,592 of FAB raised funds will be used to purchase the new ECO friendly BENTO boxes, which the children's meals will be served in. We know the children are thrilled to have the hot menu back, and we are too!

Upper Key Stage Two

This week year 5 have been learning about sound and music production. They used the GarageBand app on the iPads to create soundscapes.

In Topic, year 6 worked co-operatively using resources and taking turns to share their opinions while exploring and extracting information from different maps of Africa.

Year 6 pupil feedback on learning this week!

Maqdis " Maths was very challenging, I didn't give up, I persevered!"

Taina " Even though we lost in our Rugby match against 6K, we all smiled."

" Even though I wasn't feeling the best this week, my teachers were always there to support me."

Zuzanna "English has been great fun because we have used our imagination writing our own narratives based on Black Panther"
