

# BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Saturday 19<sup>th</sup> December 2020

Dear Parents/ Carers,

Thank you all for your support through such a challenging time. I write to outline the information sharing process put in place over the next few days.

At Bonneville we have weathered the storm of all things pandemic. I feel incredibly proud of the tenacity shown by staff and true resilience of our children to carry on, nevertheless, we must not be complacent.

On our return in the New Year, we will set out the timeline for the provision of Friday afternoons for children. However, whilst we remain unsure on the governments coronavirus risk rating after Christmas, for the time being, we will continue with half days on Friday.

Thank you for your support.

In addition to these measures, should you receive notification of a positive test outcome up to Monday 21<sup>st</sup> December (including over this weekend), please continue to inform the school office by email. We will inform the relevant bubble of the last days contact. However, should you receive notification of a positive test outcome after Monday 21<sup>st</sup> December, please contact public health on 020 7926 2900 or [publichealth@lambeth.gov.uk](mailto:publichealth@lambeth.gov.uk).

Wishing you all a happy holiday and New Year

Yours sincerely,

Ms A. Parker  
Lead Headteacher
