

09.01.21

Dear Parent/Carer

We hope that you and your child have enjoyed your first week of home learning. Well done for all the work that has been submitted, we are impressed by the time and effort that has been taken over assignments. Your support makes a huge difference.

**Starting on Monday 11<sup>th</sup> January**, we are going to begin delivering Phonics, English and Maths lessons live using Google Meet. The afternoon lessons will be sent to you as Loomed lessons as they were last week and of course continue with as much reading as possible, using the online platform of Oxford Reading Buddy to support in the development of comprehension skills.

We hope that these live sessions will be a more interactive way for your child to engage with our lessons.

**Morning registration will be at 9.00** each morning using the registration link provided in the class stream. If your child is in Miss Auton's group for Phonics, English or Maths, they should use this register link to access these lessons.

All other children should use the Miss Innes link in the class stream to enter Phonics, English and Maths lessons.

This will all be explained more fully during Monday's registration, so do not worry if you are unsure of which link your child should use.

**Please ensure that you have read the live lesson policy that has been e-mailed to you and share relevant information with your child.**

The **timings** of lessons have altered in order to accommodate registration and streamed lessons, so please look carefully at the updated timetable below.

We are very excited at the opportunity of teaching your children live and having the opportunity to interact with them. However if your child is unable to attend a lesson, then a video of the lesson will be uploaded to Google Classroom.

Please note that it is an expectation that work should be submitted. This can be via Google Docs, a PDF or a photograph.

Thank you for your continued support during this challenging time.

Good luck and stay safe.

Yours sincerely,  
Year 2 Team
