

BONNEVILLE

PRIMARY SCHOOL

Success for today, prepared for tomorrow

Thursday 23rd September 2021

Dear Parents and Carers,

As we now move into autumn our focus turns to our Harvest celebrations. This is an important time of year to think of and support families who are struggling financially in these challenging times.

We would like to make a contribution to Clapham Foodbank as well as Ace of Clubs, an organisation who support vulnerable and homeless people.

The 'big idea' this year is to donate as many food items as possible to both charities, and in doing so, build a gigantic 'food sculpture' with all of our donations. We would like to create a giant 'Tin Food Tower' in school with all the tins donated. Therefore, it would be fantastic if every child could donate at least one item, ideally cans of food and we will do our best to build something spectacular that can rival the Eiffel Tower itself!!

All donations can be dropped off at the main gate and will be collected by the office team. We are holding Harvest assemblies w/c October 4th and these will be for the children in school only. All donations will be collected up to Friday 8th October.

I know that some of our own Bonneville families are struggling right now, so it would be great if we could all work together to make this a significant contribution to both of the organisations we are trying to help.

Yours sincerely

Mr. Frank Connelly
Senior Assistant Head teacher-Inclusion
