

THE BONNEVILLE BUZZ

Friday, 23rd July 2021

What an incredible year it has been. We welcomed our children back during the Autumn Term, ploughing through in our bubbles, only to be told that it was not safe for all children to return for the Spring Term. Despite this, we were creative and hosted boot camp giving our children the opportunity to keep fit and socialise with their friends. The uncertainty of the Spring Term gave us all the zest to plan for the Summer, where we were determined that our children would return. And they did. Despite a number of our bubbles bursting during the first part of the Summer Term, we have managed to keep all of our children in school until the end of the year. Albeit differently, Year 6 have indulged in most of the annual year 6 rituals with daily trips, the end of year production and of course the disco. We should all be feeling so proud of our children who have shown great tenacity throughout.

A humongous thank you to all of our staff who have really worked hard to adapt so our children could continue to flourish. Particularly, our Newly Qualified Teachers who have passed their first year of teaching with flying colours. Congratulations to Ms Salisbury and Ms Jacques.

And finally, our last promotion of the term. Congratulations to Ms McIntosh, who will be the Acting Head of School at Stockwell Primary School from September. Covering Mr Morton's (Head of School Stockwell) 1 year sabbatical leave. We are thrilled to be able to offer another opportunity of growth within our Federation. Retaining great staff, who will continue to impact our family of schools.

Hopefully, everything will continue as planned for September. However, should anything change, I will certainly be in touch.

Wishing you all peace, rest, happiness and enjoyment over the Summer Holidays.

Keep safe and I will see you on Bonneville Gardens, at 8.45am on 1st September.

Ms A. Parker
Lead Headteacher

Happy Retirement Mrs Smith and Ms Phillips

On Wednesday we thanked Mrs Smith and Ms Phillips for giving 74 years joint service to our school, by holding a special assembly on the meadow. We will miss them and hope they come back to visit us soon!

September Arrangements

Drop off/Collection

We have noticed some real benefits to our new drop off and collection arrangements. For example, punctuality has improved and less learning time wasted when children come into school in the he mornings. The added benefit of getting children straight into the school building, during peak traffic times reduces our children exposure to pollution along with the school streets initiative. We are keen to continue to reap the benefits of this, and will make timely adaptations along the way. Therefore, when the children return to school on Wednesday 1st September, they will continue to be dropped off at their year group gate. We will return to a single drop off time, which will be 8.50am. The gates will be open from 8.45am. There will also be a single point of collection at 3.15pm for all children, apart from our part time Nursery children.

School Meals

We will return to using the dining hall.

Hygiene practices

We will continue to ensure children wash their hands throughout the school day. Particularly after playtimes and before lunch.

Playtimes

We have always had staggered playtimes for key Stages, however, the year group playtimes have worked really well over the course of the year. With even less children in the playground at any one time, we have recorded a significant reduction of incidences and better social interactions amongst children. For this reason, we will continue to have playtimes by year group.

PE

On PE days, children will go back to bringing in their PE kit and getting changed at school.

Parental Engagement and Involvement

Virtual meetings have really increased parental engagement and involvement across the school, and we really do not want to lose this. Going forward, we will have a blended approach to delivering school events and meetings. We really look forward to welcoming parents back and hosting our full range of school events, with the added opportunity for flexibility using the digital world.

Extended Services

Carry on Cafe

Carry on Café will continue from the first day back on Wednesday 1st September. As children will no longer be in bubbles, we will return to managing the club with all year groups together. Collection will remain at 5.30pm.

Clubs

Enrichment clubs will return week beginning Monday 20th September. As usual, the timetable of clubs will be issued during the first two weeks of the term.

Key stage Leaders

Ms Kirk, Assistant Headteacher for Year 5 and Year 6

Ms Napier, Assistant Headteacher for Year 3 and Year 4

Ms Auton, Assistant Headteacher for Nursery, Reception, Year 1 and Year 2

The Value for September... 'Cooperation'

Early Years Foundation Stage

How EYFS ended the year
Finally Sports Day came.

Early Years Foundation Stage

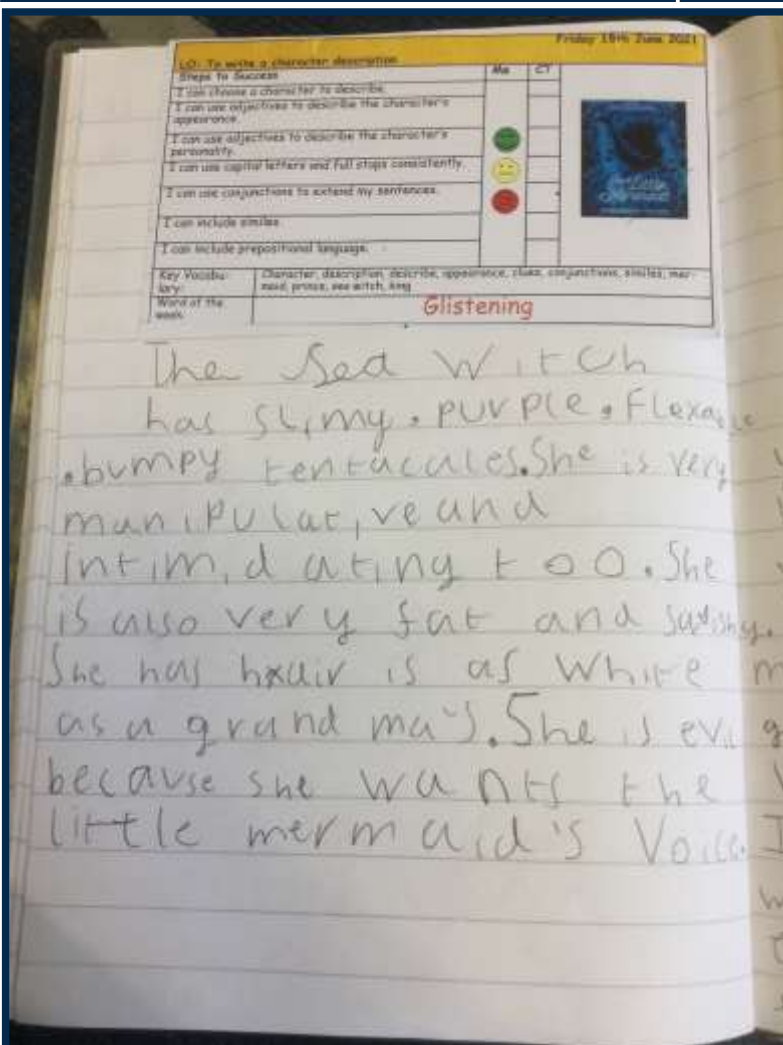

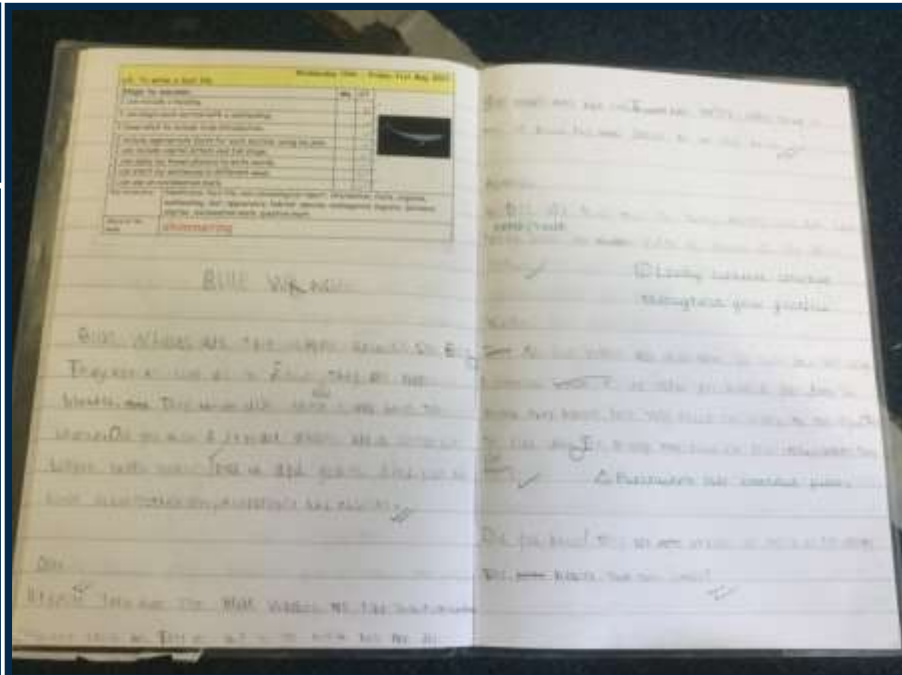

Such a pick and mix of fun!

Key Stage One

How Year 1 ended the year

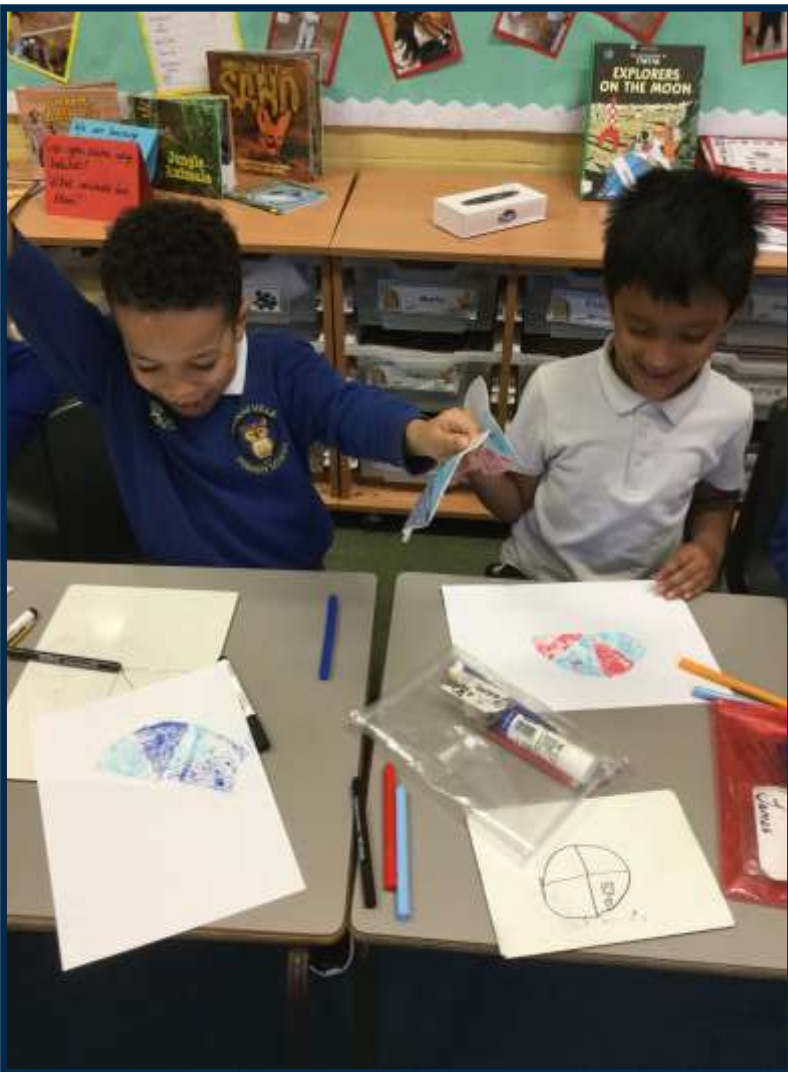

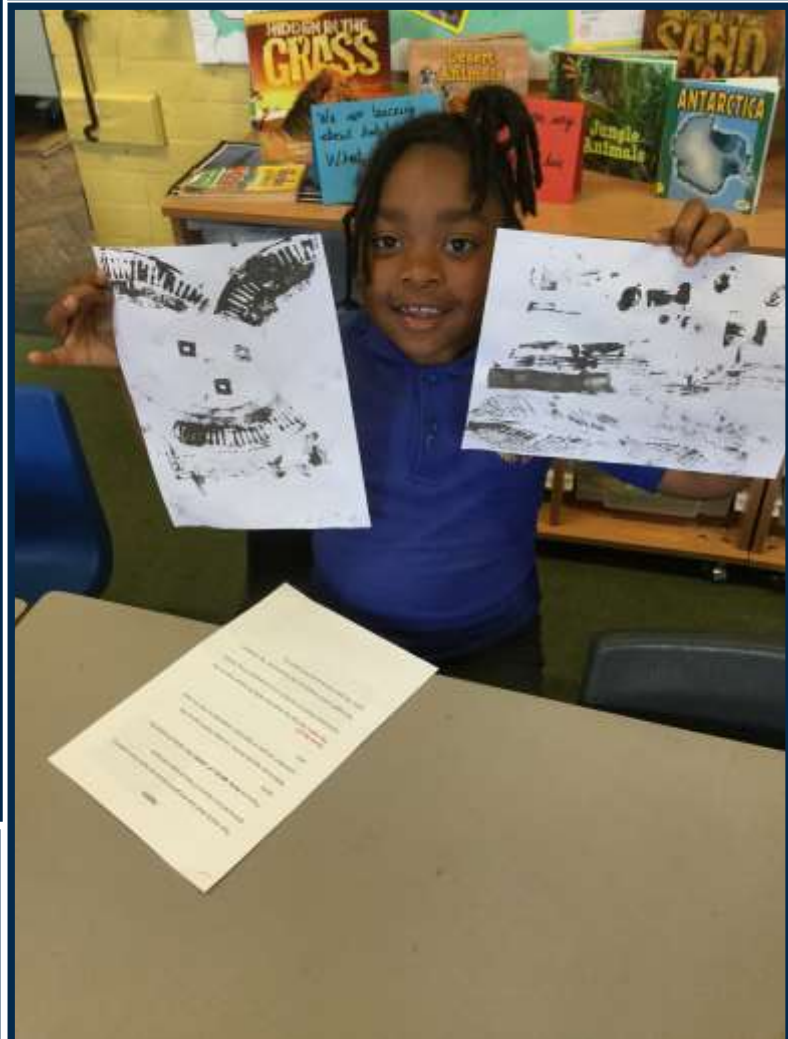

We are ready, bring on year 2!

Key Stage One

How Year 2 ended the year

Having refined their skills in year 2, they are ready for the leap into Lower Key Stage 2. Ms Napier, we can't wait to meet you.

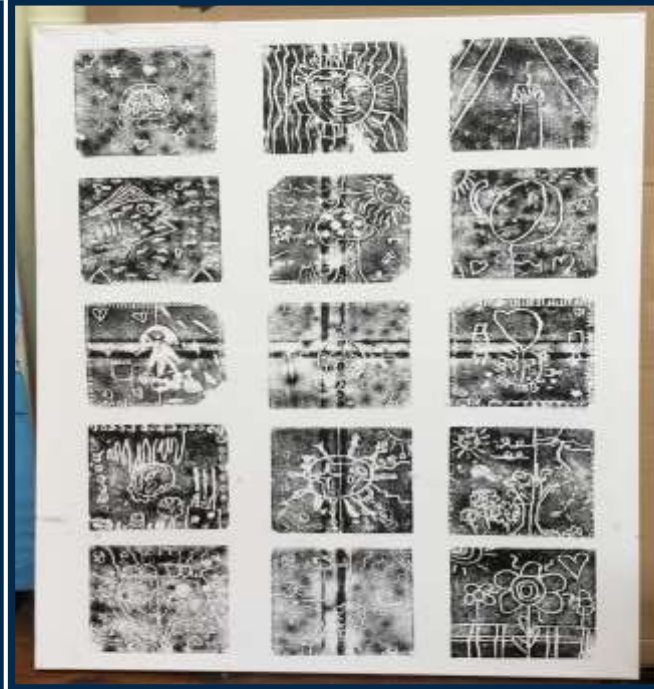

How Year 3 Ended the Year
We had fun printing and making tortilla chips.

How Year 4 Ended the Year

This term Year 4 were involved in a very exciting writing project, 'Imagine a Story' with the South Bank Centre. This amazing opportunity allowed us to collaborate the author Zanib Mian, illustrator Selom Sunu and schools around the country. Our children worked hard to write their chapter of the story all about finding the location of the evil Ray Magnisun! The project ended with each child receiving their own copy of the book, a live reading with the author and an illustration lesson with Sunu. We are very proud of what they have achieved!

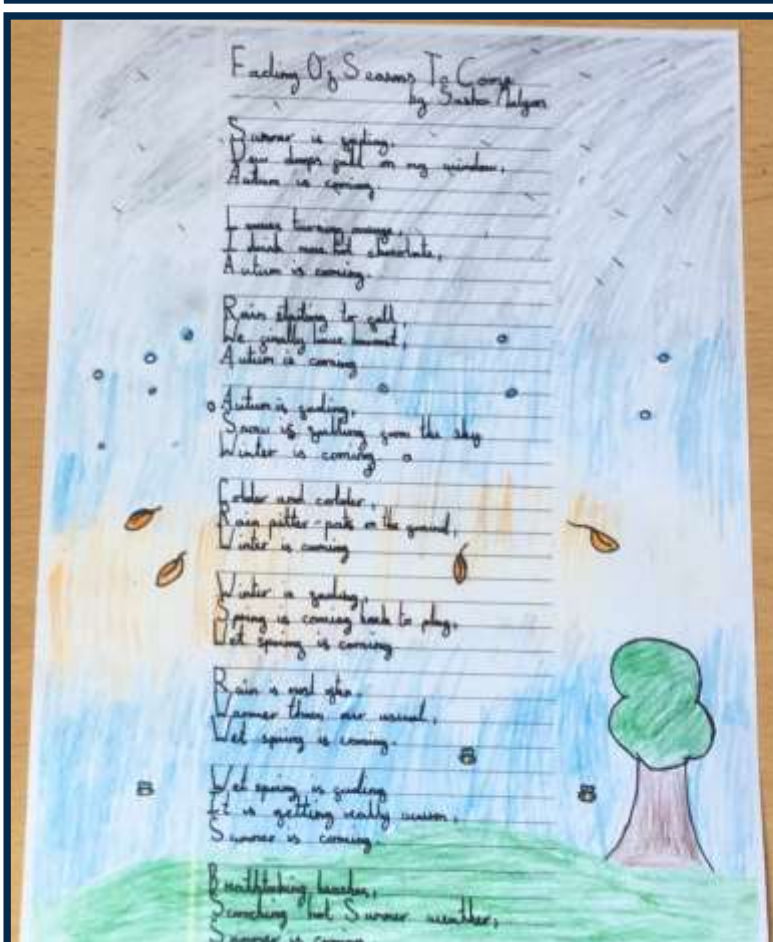

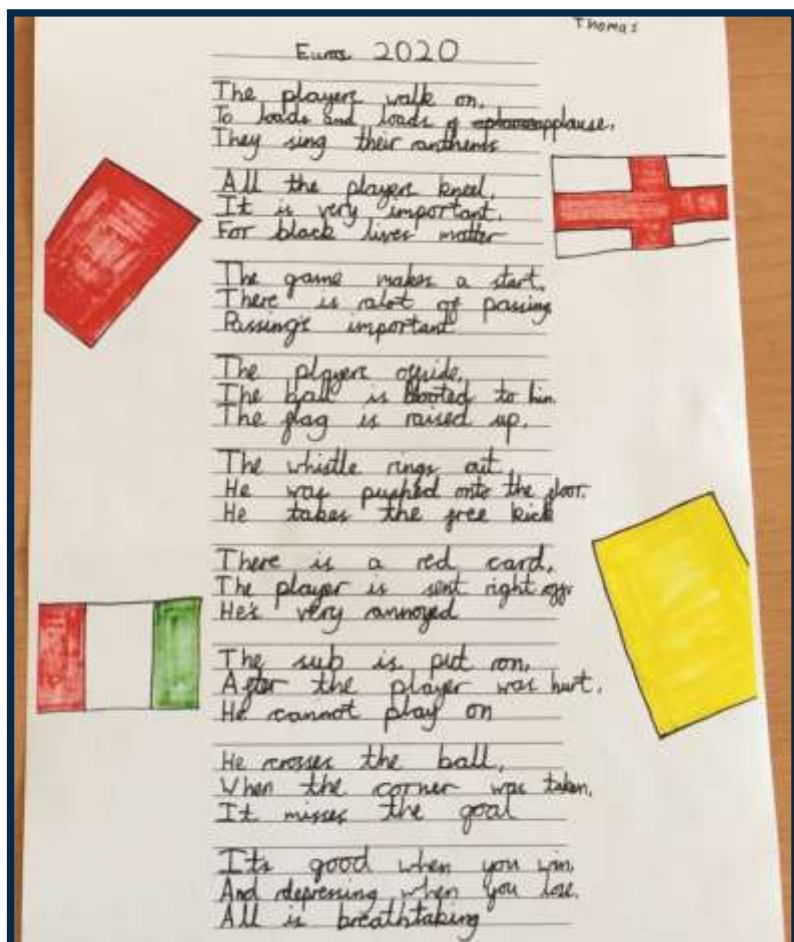

For Art we did printing and really enjoyed our topic day.

Upper Key Stage Two

How Year 5 Ended the Year

Year 5 have had a busy creating Haiku poems and creating their Micro-Society.

Upper Key Stage Two

Year 6 have had a banana week visiting Chessington, Kidzania, and a day out at Brighton beach. "Wow! What a Year!"

Year 6 also performed their production to the whole school. Use this link to have a peek!

If a child cannot come with Little Voices and requires special care, please let us know as early as possible. The above prices include school transport, refreshments, and a certificate.

Friends Association Bonneville

FAB

Despite everything, fundraising for our school during the pandemic and closure periods has not stopped. Due to the incredible voluntary effort, support and creativity from some of our parents, who have really kept things going. As a result, this year, we have managed to raise £20,000. All of our children have benefitted massively from this, in fact, we just could not have achieved the things we have without these funds. Everyone is a member of FAB, and I thank you all for spending money with us.

Your money this year has funded:

Bento Boxes

This has ensured all of our children could access a hot school meal, safely, during the pandemic.

MUGA Planning Application

We have successfully been granted the permission to build a Sports facility for our children. Being in a position to provide them with the best resources from which to learn and develop their skills. Without the funds, the process would have been unaffordable for our school with solicitors fees and the variety of surveys that had to be conducted.

Gym Park

We were so pleased to surprise our children with a new Gym Park when they returned from the Spring Term school closure period. With the desire to get our children more active, the Gym Park has served a much needed boost to our resources. The children absolutely love using it. We were even able to incorporate it into our Sport Day activities.

Thank you to the FAB Office Team. We really do appreciate everything you do, and we love the FAB Newsletter that keeps us all up to date.

They need more help and support. Please get involved, more hands make lighter work!

FUNDRAISING NEXT YEAR WILL BE VITAL

Donations may be eligible for gift aid – please email fab.treasurer01@gmail.com for a gift aid form and return the completed form via email to allow gift aid to be claimed.

Message from FAB!

School has big ambitions for a full refurb of the large front playground at the front (right hand side of reception). We're hoping this can go ahead over summer but we don't quite have sufficient funds to cover the full c. £30k cost so we've set up a crowdfund page <https://www.crowdfunder.co.uk/bonneville-playground> for which all support is gratefully received.

Have a great summer break

FAB Committee
