

THE BONNEVILLE BUZZ

Thursday, 7th October 2021

Whilst we are all keen to resume living our lives in ways more familiar to us, please remember we are still living through a pandemic. It remains important to keep your distance and wash your hands regularly, so there are no interruptions to many of the onsite events we now have planned. We are kicking off with Parent Workshops next week, you should have already received a letter about this. This will give you the opportunity to hear about what and how we teach particular subjects at school. You will then have the opportunity to visit the lesson.

Parent Consultations are coming up fast. We ask that all parents book an appointment to meet with their class teacher. This year we are maximising this opportunity by providing a blended service, accommodating in person and virtual meetings as an option.

Class Assemblies will resume after half term, you will find the date in your year group section of the Buzz and on the school's website. We would really love to host a tremendous audience for all of our year groups, so please get the date in your diary.

I am pleased to share that last term Bonneville's application to be part of the Lambeth Decarbonisation Scheme was successful. This means, that the school will be funded to use new technology to reduce our carbon emissions. To achieve this, electric pumps will be fitted to source 80% of our heat, leading to significantly less gas usage and cheaper bills. The electricity will be offset by the installation of LED across the school. Over the summer holiday, 265 new lamps were installed.

School Streets has been a fantastic initiative in helping to keep our children safe travelling to and from school. However, some parents are compromising this by parking on the double yellow lines and at the barriers. No matter how quick you believe you will be, please **do not do this**.

As a community we are great at pulling together to put our children first. Avoid the confrontation, consider others and park safely elsewhere.

As always, I appreciate your support.

Ms A. Parker

Executive Headteacher

Important Dates For Your Diary

Class 1J & 2W Phonics Parent Workshop

Tuesday, 12th October, 9am

Class 1G & 2I Phonics Parent Workshop

Wednesday, 13th October, 9am

Key stage Leaders

Ms Connelly, Senior Assistant
Headteacher Inclusion

Ms Kirk, Assistant Headteacher for Year 5 and Year 6

Ms Napier, Assistant Headteacher for Year 3 and Year 4

Ms Auton, Assistant Headteacher for Nursery, Reception, Year 1 and Year 2

Live Performances are back!

Class Assemblies are back on site. Look out for your child's assembly date and get it in the diary!

Healthy Snacks Only

Children may only bring healthy snacks to school. Crisps and biscuits are not allowed.

Attendance Winners

Key Stage One

2I -98%

Key Stage Two

3S & 5F -98%

Congratulations & Well done!

Please ensure your child comes to school prepared with the correct PE kit. white t-shirt, blue, grey or black tracksuit bottoms, shorts or leggings with no logo's, black trainers or plimsolls.

Year Groups	P.E days
Nursery	Tuesdays and Thursdays
Reception	Fridays
Year 1	Mondays and Thursdays
Year 2	Wednesdays and Fridays
Year 3	Mondays and Tuesdays
Year 4	Tuesdays and Thursdays
Year 5	Wednesdays and Fridays
Year 6	Mondays and Fridays

Notices

Forest School

Unfortunately, Forest school is temporarily out of action whilst we make the area safe with the deployment of a Tree Surgeon. This has taken longer than we had hoped as work has been delayed due to a nest in the tree. We are monitoring the situation regularly and will resume classes as soon as we can.

Check out our vacancy page on the schools website for the latest job opportunities at school.

Ufton Court Residential for Years 4 & 5

Ufton Court Residential Trips- January 2022- Y4 and Y5

Mr Connelly will be holding parents information meetings about the Ufton Court trips due to take place w/c **10th January 2022**. These will be held in the top hall on **Friday 8th October at 9.15am and 3.30pm**. There will be a presentation about the visit and a chance to ask questions. All information needed will be sent out to parent of Y4 and Y5 early in the new term. We hope that all children in both year groups will be able to participate in this really exciting opportunity!

Harvest Festival!

This week we are celebrating Harvest with the children. We are asking that all children donate an item of food for our chosen charities- Clapham Foodbank and Ace of Clubs. We are especially keen to receive tins of food so that we can build a gigantic 'Tin Tower' at Bonneville before sending the donations to the charities. Please can you leave any donations on the trolley at the main front gate at the beginning and end of the school day. Your support is very much appreciated.

Thursday 7th Of October

**LUNCH AT
THE MOVIES**

**Please remember to label your child's clothing so our playground monitors can reunite items to their owner.
Name and class will do!**

Our October Value is Tolerance

**Open Morning
Monday 8th November, at 9.30am**

Parent Consultations

Wednesday 20th and Thursday 21st October 2021

Early Years Foundation Stage

Nursery Parent Update

For literacy we have been reading 'The three little Pigs.' We became so good at joining in to retell the story during our carpet sessions. We used props at our small world table to retell the story. We started having a look at 2D shapes such as square, triangle, circle and rectangles and getting ourselves familiar with words such as sides used to describe them.

This week is wellbeing week and we have been learning about all the topics such as Healthy eating, exercise, emotional wellbeing and hygiene which support our whole body wellbeing.

For healthy eating we looked at the different foods which are good for us and those which are not. We also talked about the importance of drinking water as our bodies are made up of a lot of water. We had fun tasting fruits, which we know are good for us and some of us tried a new fruit which was grape fruit.

For exercise, we talked about the benefits of engaging in lots of exercise looking at some household chores such as cleaning which can be an exercise as well as demonstrating positive contribution to our family and community. We had a lot of fun joining our friends in early years exercising on our street.

We had a discussion about the different emotions we experienced and for some of us who just started nursery in Bonneville, we talked about our emotional journey and how we were feeling after a few days. We named the different emotions and concluded that it was okay to feel the way we felt and we are not alone.

We learnt about how to keep our bodies clean especially in school, washing our hands when asked to or after using the toilets.

We have so much fun whilst learning a lot about taking good care of our selves and being supportive of the people around us.

EYFS Nativity

(Nursery & Reception)

8th & 10th December

Your class will be allocated a day!

Voluntary Reader

If you would like to be a secret reader (reading a story to your child's class) or perhaps

you are keen to be a voluntary reader, hearing children read so they can practice their skills, please forward your contact information by email to the office

Early Years Foundation Stage

Reception Parent Update

This week is wellbeing week! This week was all about learning the different ways of staying healthy. On each day, we focused on a different area and followed up with an activity to consolidate our learning.

Monday (healthy eating): We learnt about food groups and saw that different foods help our bodies in different ways. We discussed healthy and unhealthy food and thought about the importance of a balanced diet. Finally we 'ate a rainbow' by matching different foods to the colours of the rainbow before naming our favourite fruit with a reason.

Tuesday (exercise): Today we looked at the importance of exercise on our bodies and saw that it can benefit our hearts, help us with fitness and strength and make us feel happy. We did some exercise in our classroom, the playground and even got to do a workout on the road outside our school!

Wednesday (mental wellbeing): We identified feelings and discussed why sometimes we feel different emotions. We were sensitive to others and listened carefully, giving advice when our friends shared their emotions in our group speaking and listening circle time. We then made 'feeling monsters' using our hands and paint.

Thursday (hygiene): Today we learnt that hygiene means keeping clean! In class we talked all about how and why we brush our teeth and then explored other areas of hygiene by washing hands and bodies through activities around the classroom independently. We ended the day by sorting healthy and unhealthy foods.

Friday (personal safety): On our final day of Wellbeing Week we focused on how we can be safe pedestrians, making sure we stop, look and listen whenever we go to cross a road. We got to put this learning to use and crossed the road outside our school.

Key Stage One

Year 1 Parent Update

Year 1 have thoroughly enjoyed wellbeing week this week!

We have looked at different areas of wellbeing throughout this week such as healthy eating, healthy bodies, healthy minds, personal hygiene and personal safety.

We have learnt about the 5 food groups and the importance of having a balanced diet. We looked at how different foods help our bodies in different ways. During our exercise day, we learnt about the importance of staying fit and healthy. We looked at different and fun ways to stay fit and learnt that we release endorphins which are a hormone that makes us feel happy. We took part in different workouts throughout the day.

We learnt about the importance of keeping our minds healthy as this is equally as important as having a healthy body. We had a focus on growth mindset and came up with positive statements for when we face a challenge. We learnt how to cope with uncomfortable feelings such as anger, frustration, anxiety and embarrassment.

We have learnt about the importance of maintaining personal hygiene such as washing hands regularly, brushing our teeth, showering/bathing as well as having clean clothes. We had lots of fun being germ detectives and identifying 4 main types of germs. Finally, we looked at the importance of staying safe around strangers and who safe strangers are such as policemen.

KS1 Nativity

7th & 8th December

Your class will be allocated a day!

Singing at Bonneville

Singing at Bonneville will be returning soon, including the Infant and Junior Choirs.

Key Stage One

Year 2 Parent Update

This week it has been 'Wellbeing Week' and every day we have been focusing on a different aspect of our personal wellbeing.

On Monday, we learnt about the importance of eating healthily. We examined the food pyramid and sorted food into their groups. We planned a balanced packed lunch and explained our choices. In the afternoon we designed and made our own fruit kebabs.

On Tuesday, we learnt about the importance of staying physically fit. We learnt about different types of exercises and how they benefit our body. We planned our own exercise routine and taught these to our friends.

On Wednesday, we focused on 'Mental Wellbeing'. We took part in yoga and meditation activities and described their benefits. In the afternoon, we coloured in Mandalas which is a method to relieve stress. As Bonneville Gardens was closed for 'Car Free Day' we also took part in an exercise routine with the rest of KS1 and Mr Wright.

On Thursday, we learnt about the importance of looking after our teeth. We learnt how to brush our teeth properly and the importance of visiting the dentist regularly. In the afternoon we have begun our investigation to find out which drinks are good and bad for your teeth. We have placed hard boiled eggs into water, coca cola and orange juice.

On Friday, our focus was 'Personal Safety'. We learnt how to be safe on the roads and the importance of wearing bright clothes. Year 2 also looked at internet safety and how to use our electronics responsibly. In the afternoon, we learnt about stranger danger and what to do to stay safe in different scenarios.

KS1 Nativity

7th & 8th December

Your class will be allocated a day!

Year 3 Parent Update

Last week in wellbeing week, children participated in a variety of activities based on a different theme each day: healthy eating, exercise, mental health, hygiene and personal safety. Some of these activities included writing a recipe for a healthy meal, writing instructions on how to perform self care and instructions on how to play a sports game. Children conducted experiments into handwashing by using glitter to act as germs, and we tested which area of the classroom had the most bacteria by taking samples around the classroom on bread which is currently being left to find out which grows the most or least mould. In maths, children made a timetable based on their daily hygiene routines.

This week in maths, children have been learning subtraction, using number lines and concrete resources to subtract double digit numbers. Next week they will be learning geometry, including identifying polygons, parallel and perpendicular lines and lines of symmetry.

This week in English was the final week of Instructions and children wrote their final instructions on how to mummify fruit. Next week, we will introduce our final 3-week topic of play-scripts. Children will explore the features of play-scripts, act some out themselves and write a simple playscript on Friday.

This week in topic, children explored the physical features of Egypt, including The Nile, and researched how the Ancient Egyptians depended on The Nile. Next week in history, children will research the life of villagers and Pharaohs in Ancient Egypt.

In PE children have been practising football, and this week they combined the techniques of dribbling and passing.

In PSHE next week children will be discussing what their personalities are like and celebrating their strengths.

Year 3 Class Assembly

Starts 9.15am Prompt

3G Monday 22nd November

3S Monday 30th November

Year 4 Parent Update

Well done for another fab week in year 4.

In English this week we have been writing our own version of the Roman Myth Romulus and Remus. They have worked hard to plan, draft and publish their stories.

In maths they have been adding and subtracting 4 digit numbers using the column method. They have applied their knowledge to answer worded problems about the Romans.

In science we have been learning about the human digestive system, labelling the main organs and writing about their function.

We have become geographers in topic, using atlases, we located the countries that the Romans had invaded.

Don't forget to bring in your tins for harvest.

Look out for a poetry competition on google classroom!

Year 4 Class Assembly

Starts 9.15am Prompt

4N Wednesday 1st December

4W Thursday 2nd December

BIG NEWS!

Have you seen the Ufton Court Residential notice for Years 4 & 5 on page 3 of the Buzz?

Year 5 Parent Update

Well Year 5, what a fantastic week yet again. So many people have commented on how calm and well behaved the year group have been. You are doing your school proud - well done!

English this week has been very exciting. The children have been writing their own versions of the epic poem 'Beowulf'. They have planned it, drafted it, edited AND published their very own narratives. These shall be proudly put on display around the classrooms so parents, please come and see them when you come to see our English lessons.

In Maths this week the children have been using mental maths for addition and subtraction, as well as using the column method. These are all methods the children have used in their previous years at Bonneville, and this year, they are really going to master these skills in order to develop their understanding and mastery of maths.

In Topic this week the children have been travelling back in time, writing a letter as a Viking Invader to their families back home in Scandinavia. They were able to use all of the vocabulary they have been immersed in so far this term as well as empathising with the Viking Settlers, gaining a greater understanding of the reasons why the Vikings invaded Britain.

In Art the children have been developing their sketching skills by mark making using different sketching techniques. These have included cross hatching, looped lines and other techniques in order to sketch their own Viking long boat.

In RE the children have been researching more into the Hindu religion, specifically the Puja Tray and its significance to the Hindu devotees.

Please remember to bring in any tins you have around the house for the Harvest Festival!

BIG NEWS!
Have you seen the Ufton Court Residential notice for Years 4 & 5 on page 3 of the Buzz?

Year 5 Class Assembly
Starts 9.15am Prompt
5F Tuesday 23rd November
5H Thursday 25th November

Upper Key Stage Two

Year 6 Parent Update

Year 6 have settled in quickly and are working hard. We'd like to remind you all that homework is now being set up on **Google Classroom** so look out for it and ensure that your child(ren) has logged in to their new classroom as well as **MyMaths** and **Times Tables Rock Stars**. Ensure that you are **reading** regularly at home and completing your reading records a minimum of three times per week.

Maths: In Maths this week we have been looking at Multiplication. We have been focusing on using the formal written method and using our reasoning and problem solving skills. We will use this knowledge of multiplication to support us when we move on to division next week. It is really important that the children are able to quickly recall the **times tables** so please practise at home.

English: Our English links in with our topic "Wakanada Forever". We have been finding out about how Benin became successful and reached a Golden Age and then the demise of the great nation and its impact. We have used this understanding to inform our writing. Our focus this week has been **persuasive** writing culminating in writing a persuasive letter to the British Museum supporting why we think the Benin bronzes should be returned to Nigeria. Next week we will begin our genre on narrative writing with a focus on describing settings.

Humanities: Our topic this term is "Wakanda Forever", which explores the ancient kingdom of Benin. This week we have been focusing on exploring the tribes of Africa. We will use our research to present and share the information.

R.E.: In R.E, this term we will be exploring Buddhism. This week we looked at the Noble Eightfold Path. Next week we will look at the Buddhist story of The Monkey King.

PSHE: We will be continuing to focus on ourselves in PSHE, this week we have had a focus on our identity discussing what we think PSHE lesson ground rules should be.

Science: Our Science this half term is Biology: Evolution and Inheritance. This week we focused fossils and how these have helped inform Scientists on evolution.

P.E.: Our P.E. days are Monday and Friday. Please ensure that you have P.E. kits at school at all times.

Computing: We are using the app **Garageband** on the iPads and creating a soundtrack to our own narrative based on "Black Panther".
