# PRIMARY SCHOOL

---

Success for today, prepared for tomorrow

---

Monday 17<sup>th</sup> January 2022

Dear Parents/Carers,

We are pleased to announce that the birds have finally flown the nest and the unsafe tree has at last been cut down! However, after months of being out of bounds, our forest school is a little wilder than we would like.

We are therefore putting out a plea to our community, asking for support in restoring forest school back to how it once was and even developing it further.

We are looking for teams of parent volunteers who would be able to give us some of their time, skills and labour. This could be a day, an afternoon or a couple of hours. All help would be much appreciated.

The jobs that need completing are as follows:

- Mending of wooden fence around pond
- Mending of the wooden landing section of the tree house
- Mending of wooden door leading to the edible garden
- Mending of fence panels
- Refurbishment of wooden stage
- Refurbishment of mud kitchen
- Trimming of trees and bushes
- Weeding of raised beds in the edible garden
- Hanging of swings
- General tidying

We are always looking to recycle materials, so if you have spare wood or strong ropes to hand swings or indeed anything that you think might be useful in our forest school, then please let us know!

We are also looking to refurbish/rebuild our outdoor classroom and install a power point and lighting within this area.

Therefore, if you are a carpenter, an electrician, a gardener, a bid writer or someone who is happy to undertake some general labouring work, then we would love to hear from you!

Please let me know if you are interested, by e-mailing me via admin, or talking to me at the KS1 gates. It would be great to have our children using this valuable resource as soon as possible.

Thank you for your support.

Martine Auton  
Assistant Head KS1 and EYFS
