## Parents/Carer Consultations March 2022

Dear Parents/Carers,

Pupil consultations are fast approaching and we would like to maximize the time you have to book your appointment online, through our Tucasi system.

This year, we will continue with a blended system, however, to improve the smooth running of the process, we will be running a virtual appointment day and physical appointment day. Hopefully, this will maximize opportunities for you to meet with us.

If you would like a virtual appointment, you may book on Tuesday 29<sup>th</sup> March  
If you would like a physical appointment, you may book on Wednesday 30<sup>th</sup> March  
The length of the appointments will be the same.

The booking system will be live from **Monday 28<sup>th</sup> February at 8am**.  
As usual, all appointments are available on a first come first serve basis.

### **Ms Parker's tips!**

#### Set up

- If you already use our online system for payments (school dinners, extended services and previous parent consultations), you are already set up to make an appointment
- If you have not used our system (Tucasi- scopay), you need to use your login, previously provided, and register your account to make an appointment
- I recommend that you switch on your alerts within the system so you can receive a reminder of your appointment

#### Booking

- In your area, you will be able to see the available appointments for your child's/ren's teacher. If you have more than one child, stagger your appointments accordingly, to give you time to switch from one to the other
- If you need any advice or assistance please contact the school office

Success for today, prepared for tomorrow

From Monday 28<sup>th</sup> February, we will provide iPads at the front reception should you need any further digital support. The administrative team will not be able to make the appointment for you.

The appointments are about your child's academic progress, how well they are achieving, how much they are applying themselves and the challenges they are facing. Therefore, it is vitally important that we get the opportunity to discuss this with you, so you can encourage and provide the right targeted support. We are fully committed to securing an appointment for every single child as you will find out what you need to do to support your child at home.

We ask that you help us to achieve this, by confirming an appointment over the two-day period.

Children do best when school and parents work together; we all want the best and have the right intentions for our children.

Thank you for your support.

Regards,

Ms A. Parker  
Executive Headteacher
