

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 25th February 2022

Science Week 14th – 18th March

Dear Parent/Carer,

Science Week is coming and this year it will focus on the theme of '**Growth**'. During the week we will be looking closely at the different areas of science, learning about real life scientists and the impact of their work as well as becoming scientists ourselves and carrying out investigations.

On Monday 14th March we would like children to come to school dressed as a scientist as we will be focusing on our possibilities driver and thinking about the careers in science that are available to us.

Which careers in Science interest you?
