

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 1st April 2022

Dear Parents/Carers,

Last week, Year 6 had their mock S.A.T's week. This was a chance for your child/ren to experience what it would be like during their tests as well as a chance for the teachers to see the challenging areas that the children encountered.

We will be sending the children home with the S.A.T's papers that they did last week for them to see their errors and to work on areas that they are not so confident doing. We ask, that you spend some time with your child/ren going through their papers. We are also giving children a revision pack for them to go through over the Easter. We are not asking the children to be studying all day everyday but it would be good if you can supervise them so that they do have an opportunity to go through the information and answer the question.

Thank you for your continued support, have a wonderful break.

Kind Regards,
Ms. Kirk, Ms. Wilden, Ms. Napier
