

Dear Parents and Carers

For2feet will be visiting school to provide Pedestrian Training for children in Year 3 on Wednesday 4 May 2022.

Children that participate in this training will learn essential road safety skills that will make them safer pedestrians.

Training will be provided in groups with experienced instructors. Each group will receive one 45 minute training session on the pavements around your school. A member of school staff will also accompany the training.

The training reminds the children of Stop, Look, Listen and includes:

- Finding a safe place to cross the road
- The correct use of pedestrian crossings such as zebra/pelican/island that are close to the school
- How to cross at junctions and near parked cars
- The dangers of cars reversing from driveways
- The importance of wearing bright clothing
- The dangers of distractions such as wearing headphones or using a mobile phone.

Please complete the consent form below to allow your child to take part in this valuable training and return it to school.

---

Child's name ..... Class .....

I confirm that my child has permission to participate in the pedestrian skills training.

I understand that this activity will take place outside the school site and will include supervised road crossing.

Signed..... Parent/Guardian (over 18 yrs)
