

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Tuesday 24th May 2022

Dear Parents/Carers,

This term in science, we have been learning all about Living Things and Their Habitats. We have learnt all about local animals and their habitats and we are eager to broaden the children's learning of other animals and their habitats. To consolidate this learning, we have planned a trip to London Zoo on **Friday 1st July**. We will be leaving school at **9:15am** and returning to school by **4pm**, to maximise the children's time at the zoo.

We will be travelling by tube. **Please be aware that all children will need to carry their packed lunch and a drink and so please send your child to school with a small backpack.** Your child will be responsible for carrying their belongings throughout the day and so please make sure it is not too big or heavy.

Please can you log into your scopay account and tick the consent box if you would like your child/ren to attend the trip (consent given will mean you are happy for your child/ren to attend the trip until the late return of 4pm). Please indicate if you need the school to provide a packed lunch for your child/ren on the day on scopay. **Permission will need to be given by Friday 17th June.**

We will need parent support on the trip. We are able to bring an additional 6 parent/carer helper with us on this trip and is free of charge, this will be organised on a **first come, first served basis**. If you are available to help on this trip please indicate by ticking the 'Helper' box on scopay. Please be aware if you want to join us, that you will be responsible for your own small group of children.

If you have any questions, then please speak to your child's class teacher.

Kind regards,

Year 4 Class Teachers
Miss Walker and Miss Neate
