Creativity & Enterprise Week 2022

Dear Parents / Carers,

I am pleased to announce that we are bringing back **Creativity Week** and **Enterprise Week** at Bonneville during the week commencing 20th June.

During this week, the core learning will have a focus on **Enterprise** where we will focus on what it takes to successfully run an enterprise. In English, we will be looking at persuasive and promotional materials and in Maths, we will be looking at costs, profit and loss. The **Creativity** focus will be designing and making the products to sell. This will have an art skill focus on print across the school and this year's overall theme will be **Environment**.

I would like to take this opportunity to invite you in to join us for the Enterprise Fair where each class will be selling their products on **Friday 24th June at 2.45pm**. Please come prepared to support your child (ren).

I look forward to seeing you at the Enterprise Fair.

Yours sincerely,

Jacqui Napier
