## School Trips

Dear Parent/Carer

This has proved to be an exciting term with the commencement of school trips! It has been great to once more have the opportunity to enhance our children's learning with these memorable experiences.

I would like to say a huge thank you to all of our parents and carers who have offered to support the teachers on these trips. Your help is invaluable and without these kind offers of support, these trips would not be possible.

I know that we have had some disappointed parents and carers, who have not been able to help on a trip, as the trip has already been filled. As tempting as it may be, please do NOT appear at the venue of your child's visit. Each trip has been carefully planned, parents and carers who have not been accounted for provide confusion to everyone involved on the trip. This distraction and uncertainty in supervision, provides a serious safeguarding concern that ultimately will put you at risk should anything go wrong.

Each trip is carefully risk assessed by teachers and approved by me, including the named adults on the trip.

It is my responsibility to approve the attendance of all adults accompanying our children. I do ask that this is respected, and staff members are not put in compromising situations.

I can assure you that there will be many more trips that we will require your support with. Please support us in making these valuable excursions fun and safe.

Thank you for your support.

Regards,

Ms A. Parker  
Executive Headteacher
