## PRIMARY SCHOOL

*Success for today, prepared for tomorrow*

Wednesday 28<sup>th</sup> September 2022

Dear Parent/Carer

We continue to be impressed at how your children have settled in to their new learning environment.

I wanted to take this opportunity to further clarify the arrangements for the beginning and end of the school day.

### **Drop off**

School begins at 8.45am. Children make a line in the playground and are led into class by their teachers. However, if you should arrive later than this time, our support staff are available to lead your child to their classroom.

### **Collections**

Gates open at 3.15pm at the end of the school day. In order to ensure a smoother dismissal, please can parents stand on the nursery or reception side of the gate, depending on which class you are picking up from. If you are facing the gate, nursery parents should line up on the pavement to the left and reception parents to the right. Staff members have been instructed to dismiss children to parents in the line and not those standing in front of the gate. I'm sure you can appreciate, that a sea of parents is a daunting challenge for our staff, who are dismissing children safely into the care of their families one by one. Your support and patience with this dismissal is really appreciated.

At Bonneville we understand how vital a strong relationship is between the school and families. All our teachers are more than happy to talk to parents via an arranged meeting, phone call or immediately after dismissal has taken place. We are also in the process of setting up google classroom for our EYFS families, which is another form of communication between teachers and home.

Drop off and collection time must remain structured to ensure we focus on getting the children into school and back to you safely.
