

THE BONNEVILLE BUZZ

Thursday, 6th October 2022

To maximise access to our school communications, I recently launched 'News Summary Videos'. So far, two have been released. To catch-up you will find them on the schools website (News > Letters) or press this [link](#) for direct access. We are also reviewing how we can work SMARTER and are trialling year group learning updates going directly on the schools website. This, we hope, will maintain the information on the website whilst keeping you current with what your child/ren have been learning in class. For easy access, you will have a direct link to each year group in the Buzz.

I will collect your feedback in due course, so you have the opportunity to let me know how it is working for you. In the meantime, the Buzz will be used to connect you with the website, for more general updates and sharing whole school events.

I am also aware of how overwhelmed many of you are feeling with the sheer amount of communications from the school. To streamline this, we will tighten the distribution of communications on Tuesdays and Thursdays only. Unless there is a good reason not to do so. We will also do our best to ensure that information is collated as best as possible to reduce the total number of emails.

Please remember from today you are able to book your parent consultation appointment. It is first come first serve and we would love to see you all, so hurry!

Press your phase to access the latest teaching and learning updates on the schools website:

[EYFS \(Nursery & Reception\)](#)

[KS1 \(Year 1 & Year 2\)](#)

[LKS2 \(Year 3 & Year 4\)](#)

[UKS2 \(Year 5 & Year 6\)](#)

I will catch-up with you all in my next video, and see you on the school gate.

Ms A. Parker
Executive Headteacher

Our October Value is Respect

Reading at Bonneville

Developing early phonetic skills is vital in securing reading skills for life.

At Bonneville we are on a mission to ensure no child leaves our school unable to read, but reading at school alone is not enough. Please ensure you are practicing phonics and reading with your child/ren daily at home.

At school, phonics is taught daily in EYFS and KS1 from 9.10am to 9.30am everyday. Across the school, we teach reading as a lesson and give children opportunities to read independently and with an adult. At the end of every day, the children are read to by their class teacher.

Whose who?

Key stage Leaders

Ms Connelly, Senior Assistant
Headteacher Inclusion

Ms Kirk, Assistant Headteacher for Year 5 and Year 6

Ms Napier, Assistant Headteacher for Year 3 and Year 4

Ms Auton, Assistant Headteacher for Nursery, Reception, Year 1 and Year 2

Raising concerns, getting your questions answered

It is important to us that any concerns or questions you may have are dealt with as efficiently as possible. The structure we have in place is designed to do just that.

The structure

1) Your first port of call is -Your child's class teacher

(email via the admin team to request a meeting)

2) You may contact the leader of your child's phase (see above)

This includes issues regarding communication and organisation

(email via the admin team to request a meeting)

Should you be dissatisfied with the handling or outcome...

3) You may raise your concerns with Ms Parker

(email via the admin team to request a meeting outlining the nature for the purpose of the meeting)

Leaders are required to share items (as appropriate) with Ms Parker on a weekly basis, even if the matter is being handled by them.

We request that you do not field your concerns to FAB but instead work directly with the school staff as outlined above.

Harvest

Thank you for all the Harvest donations. As usual, we will be delivering all the food collected to 'Clapham Foodbank' and 'Ace of Clubs'.

'Fruitilicious' Tuck Shop and 'BonneFILL' Eco Refill Shop

Next week we will be re-launching our healthy snack tuck shop as well as our Eco-friendly refill shop. The children are eagerly awaiting their new leadership positions as tuck managers and Eco-Refill leaders. Our Tuck shop will offer a range of fruit flavoured snacks and drinks and we hope that children and adults will support this important part of our enterprise curriculum.

'BonneFill' was launched in the summer term and we also hope that the school community will get behind this project sponsored by the London Mayor. Products include hand wash, washing up liquid and bubble baths in a range of different scents. We need children and parents to bring in plastic containers to 're-fill' and in doing so, help us to protect our environment by reusing plastic. All products are eco-friendly.

We are hoping that once the projects are up and running, they will be sold outside the main gate after school every Monday, Wednesday and Friday. All profits made by the children go towards resources and equipment for our pupils to use in school.

Whole School PE days

Please ensure your child comes to school prepared with the correct PE kit. White t-shirt, blue, grey or black tracksuit bottoms, shorts or leggings with no logo's, black trainers or plimsolls.

Nursery – Tuesday & Thursday

Reception – Friday

Year 1 - Monday & Thursday

Year 2- Wednesday & Friday

Year 3 - Monday & Tuesday

Year 4 - Tuesday & Thursday

Year 5 - Wednesday & Friday

Year 6 - Monday & Friday

Thank you to everyone for supporting us in raising money for cancer research. Thank you Miss Monet for keeping us organised every year!

Upcoming Dates For Your Diary

Celebrating Success

Attendance is Key

Learning the importance of attendance and punctuality is an important skill for life. One of the best ways to model valuing education is to ensure your child is here everyday, ready to learn and does not miss it. Did you know that if your child is late in the mornings they have missed their only lesson for the day on learning a particular reading technique? This is one example of how gaps are created in children's learning.

Attendance Winners

Congratulations to the
following classes

Well done to all the children in those classes for coming into school everyday last week.

Great team work!

EYFS
100%

KS1
96.9%

KS2
100%

Thank you FAB (Friends Association of Bonneville)

Because education and learning is so important to our community, FAB now fund the end of term prizes for all children who attend school everyday and on time.

What a great way to support the schools teaching and learning agenda!

Friends Association Bonneville

FAB

Who is FAB?

FAB refers to the people who are associated with our school 'Bonneville'. That means all parents and carers are a part of FAB. There is no sign up process because you are all already signed up.

What do FAB do?

Children thrive when schools and parents work together. Our community is vital to our success. FAB supports the school through hosting community and fundraising events. The impact of this work speaks for itself, it keeps us together and provides the mechanism for all parents to contribute towards their child's education.

What is FAB not?

- The 'go to' people to air your concerns
- A group of people who represent the views of parents
- The people who decide what fundraising gets spent on
- A group of people with a 'Window' to the school

However...

Every association needs co-ordinators. People who pull the community together by setting dates, agreeing the calendar of events with the school, reporting financial business to the school and sharing information. That's the role of the committee. Ms Parker meets with the committee once a month to discuss just that. It is how we keep things going!

Thank you to the FAB Committee. We really do appreciate everything you do but...

It's your responsibility too!

We need more help and support. Please get involved, more hands make light work!

FUNDRAISING FOR THE SCHOOL IS VITAL

1 hour per term is all we ask!

All Parents- COME ALONG TO THE AGM on 14th October at 9.10am straight after the 'Pop up Community Café'.

Come and do your bit!
