

THE BONNEVILLE BUZZ

Friday, 21st October 2022

It feels like we have only just started the year, and now we have come to half term!

Thank you for all your support this half term. The children have done exceptionally well settling into their new classrooms, and engagement has been incredibly high as they have embarked on their new curriculum. New Nursery and Reception children have made a fantastic start to life here at Bonneville, learning, making new friends and thriving.

Last weekend a host of parents came in for 'Grounds Day' which facilitated a massive clear out and tidy up of Forest School and the playground. Thank you to everyone for mucking in, all those who were unable to make it. Your spending at FAB events paid for the waste removal!

Next half term is always very busy with class assemblies and the general lead up to our Winter festivities so, as always, remember to jump on to the schools website to review all the important dates for your diary.

This holiday, vouchers for FSM children is continuing to be funded, so please keep an eye out for that in your emails.

If you are stuck for entertainment ideas and opportunities for your child/ren over the holiday, please visit our website where we have shared some information on what is available locally for free!

We also have access to referral food bank vouchers should anybody need it. You may email the schools admin for the attention of Mr Connolly, who will get back to you.

Wishing you a wonderful half term holiday.

Press your phase to access the latest teaching and learning updates on the schools website:

Raising concerns, getting your questions answered

It is important to us that any concerns or questions you may have are dealt with as efficiently as possible. The structure we have in place is designed to do just that.

The structure

1) Your first port of call is -Your child's class teacher

(email via the admin team to request a meeting)

2) You may contact the leader of your child's phase (see above)

This includes issues regarding communication and organisation

(email via the admin team to request a meeting)

Should you be dissatisfied with the handling or outcome...

3) You may raise your concerns with Ms Parker

(email via the admin team to request a meeting outlining the nature for the purpose of the meeting)

Leaders are required to share items (as appropriate) with Ms Parker on a weekly basis, even if the matter is being handled by them.

We request that you do not field your concerns to FAB but instead work directly with the school staff as outlined above.

Clothing

Please spend a little time this holiday labeling your child/ren's items before they return to school. It helps us reunite children with their lost belongings.

We are The Spring School of Ballet, and we have been teaching ballet to girls and boys in this area for over 30 years!

We are very keen for EVERYONE to be able to enjoy and love ballet as much as we do.

We have Ballet and Performance classes for ages 3 - 18 at Bonneville Primary School on Saturdays, and more classes during the week at The Contact Centre, nearby in Hambalt Road.

We would like to offer pupils from Bonneville Primary School who may not be able to afford classes, and may not have even thought about trying ballet, the opportunity to have a FREE trial class and then the opportunity to apply for our Bursary Award Scheme.

Bursary awards offer a discount on dance class fees by 50%. These are available for up to 10 children, in any one school year, for a period of 12 months.

Please check our website for our timetable and class prices. You can call the office on 01276 709393 for a chat, or email us on hlm@ssballet.co.uk with any questions or queries you may have. Please mention that your child goes to Bonneville Primary School when you first contact us.

We look forward to hearing from you!

Celebrating Success

Attendance is Key

Learning the importance of attendance and punctuality is an important skill for life. One of the best ways to model valuing education is to ensure your child is here everyday, ready to learn and does not miss it. Did you know that if your child is late in the mornings they have missed their only lesson for the day on learning a particular reading technique? This is one example of how gaps are created in children's learning.

FAB Mission Statement

FAB stands for Friends Association of Bonneville.

We have an appointed committee with a Chair, Co-Treasurers and Secretary. Our aim is to work with every parent in the school to achieve our mission.

We are dedicated to uplifting the strong, dynamic and diverse community of parents, carers and children at Bonneville.

We work together to boost community spirit, raise much needed funds for the school and set an example to our children that teamwork leads to great results and positive change.

Our events are aimed at bringing us closer while raising funds for every child in the school. All monies raised go directly to the school for the benefit of all children.

We are passionate about working with Bonneville to contribute to the positive, multi faceted learning environment every child deserves which enables them to flourish and find joy in every day at school.
