Our November Value is Tolerance

Last week the Local Authority conducted a review of our 'Quality of Provision'. We are pleased to share this was a huge success, comments from the report include:

'The intent, for children to read well and learn to read as quickly as possible is proving highly successful in its implementation. Phonics teaching is a significant strength.'

'Children told me that there is always an adult they can speak to if they need to, that new children are welcomed through friendships and buddies. They told me that at Bonneville, 'you can always find a friend'.

The lead up to Winter festivities is always a busy time. Class assemblies have begun, FAB have started their winter themed events, KS1 and EYFS prepare for their Nativity plays, and we eat together for Christmas lunch to mention just a few. The website is your go to place to keep up to date on all events.

Thank you to all staff who have hosted recent events for parents, including parent workshops.

For safeguarding purposes, Carry on Café staff have been instructed to not return to the school building to find lost items when children are being dismissed. Such requests are causing serious breaches putting pupils and staff members at unreasonable risk. All children will be toileted prior to leaving and given the usual reminders to gather their belongings. All labelled items, left behind, will be returned to children's classrooms. Unlabelled items will be sent to lost property.

Guess who is in the John Lewis Christmas advert...

It's our Brooke!

We are so proud to share that a former pupil is playing the role of a foster child in this years John Lewis advert. Well done Brooke, we are so very proud of you.

Keep an eye out for our extreme reading competition

Whose who?

Raising concerns, getting your questions answered

It is important to us that any concerns or questions you may have are dealt with as efficiently as possible. The structure we have in place is designed to do just that.

The structure

1) Your first port of call is -Your child's class teacher

(email via the admin team to request a meeting)

2) You may contact the leader of your child's phase (see above)

This includes issues regarding communication and organisation

(email via the admin team to request a meeting)

Should you be dissatisfied with the handling or outcome...

3) You may raise your concerns with Ms Parker

(email via the admin team to request a meeting outlining the nature for the purpose of the meeting)

Leaders are required to share items (as appropriate) with Ms Parker on a weekly basis, even if the matter is being handled by them.

We request that you do not field your concerns to FAB but instead work directly with the school staff as outlined above.

Celebrating Success

Attendance is Key

Learning the importance of attendance and punctuality is an important skill for life. One of the best ways to model valuing education is to ensure your child is here everyday, ready to learn and does not miss it. Did you know that if your child is late in the mornings they have missed their only lesson for the day on learning a particular reading technique? This is one example of how gaps are created in children's learning.

Attendance Winners

Congratulations to the
following classes

Well done to all the children in those classes for coming into school everyday last week.

Great team work!

Thank you FAB (Friends Association of Bonneville)

Thanks to our parent community fundraising, we have purchased additional decodable books that will support children in learning how to read. This is a great asset towards our school agenda that is ensuring no child leaves our school unable to read.

Winter Fair, Sunday – Nov. 27th
12 noon – 3PM

Bonneville Primary School's Winter fair is fast approaching! There is so much planned for the big day! Games, crafts & face painting for the kids, tombola and a fantastic raffle full of great prizes, wonderful food, delicious cakes and coffees and festive mulled wine. There will be live performances by the Bonneville Band & the Bonneville Choir! You will see a stall dedicated to our Bonneville crafters as well as many other wonderful external vendor stalls. There will be an opportunity to buy tickets for a toy making workshop hosted by Tinkertigers & last but not least, you will have a chance to buy tickets to visit Santa and/or Ms. Claus in Santa's Cabin.

To make this all happen we need your help! If you could donate any of the following items and/or your time it is so greatly appreciated:

- Even an hour of your time at one of the stalls makes a huge difference!
- Toys new or used, please no books.
- Tombola prizes - anything goes! Chocolates, silly gift prizes, bottles of fizz, etc.
- Cakes for the cafe (you can bring them in the day of the fair).

As always your generous donations make the fair a wonderful success for the children at Bonneville!
