Success for today, prepared for tomorrow

Tuesday 28<sup>th</sup> February 2023

## Year 1 Trip: Science Museum

Dear Parents and Carers,

Our Topic this term is 'Taking Flight' and within that, we have been learning about the history of flight. To further consolidate this learning, we are taking the children to visit the Science Museum on the **Wednesday 15<sup>th</sup> March**. During this trip, we will be conducting a self-guided tour focusing on the History of Flight. We have also booked a session in The Garden, an interactive area where the children can explore science in a practical and fun way.

As we are taking public transport and the sessions are all free, we do not require any payment for this trip. We do however need some parental support. If you are able to come and help on the trip, please show your interest via Scopay. We have limited spaces available so the teachers will inform you if your help is needed.

The children will need a packed lunch for the trip. Please indicate, using Scopay, if you would like the school to provide a packed lunch for your child.

Thank you for your continued support.

Year 1 Class Teachers  
Miss Greenland, Mrs Flores and Miss Monet
