Male Appreciation Day 2023

Dear Parents and Carers

This coming Friday we will be celebrating '**Male Appreciation Day**' at Bonneville. We would like children to think of male role-models who have, in different ways, inspired them or given them encouragement to follow a dream or ambition. This could be a sports-star, someone in their family or anyone who they feel has inspired them in some way.

We would like children to design a piece of art work highlighting the inspirational person whom they have chosen. This is a home work task and children can design their own piece of work but their entry must have:

- Name of their inspirational male role-model
- An image of that person- photograph, image or drawing
- Words or a few sentences highlighting why they have chosen this person.

A template that can be used will be sent out by class teachers, however we are encouraging children to design their own piece of artwork if that is what they want to do.

All entries should be returned to school no later than **Wednesday 21st June**. Entries will be judged and the best pieces will then be turned into a display wonderful in school.

We look forward to viewing the many inspirational male role-models that the children have chosen.

Yours sincerely

Mr. F. Connelly
Senior Assistant Head teacher- Inclusion
