FAB Update

Music equipment

Your FAB-ulous school needs you

Do you know if your company offers 'Corporate Match'? Match funding is a simple way of maximising your fundraising efforts. It is an informal, albeit corporate, arrangement between a company and you. Not all companies offer matched funding but those that do pledge a sum of money relating to the amount you have raised or donated to the charity of your choice (FAB). Please enquire to find out if your employer can offer any matching.

We would love to welcome **KATIE GOUVEIA** (currently a Y2 & Y4 parent) as our **new TREASURER** in 2023/2024. Please do say hello to her at the school gate :)
