

Thursday 8th February 2024

Dear Parents and Carers,

National Curriculum Tests Meeting

As you are no doubt aware, end of KS2 National Curriculum Tests (Formerly SATs) are soon approaching (week beginning: 13th May 2024). I will be holding a meeting to inform you of what will be happening during that week and suggesting ways to prepare your child. There will also be time at the end of the meeting for me to answer any queries or concerns that you may have.

This meeting will be virtual and held on **Wednesday 21st February at 5pm**. The link will be sent out after the half-term, closer to the time.

I look forward to seeing you in attendance.

Yours sincerely

Miss Florence Kirk
