

CELEBRATE WORLD BOOK DAY

As part of World Book Day on **Thursday 7th March**, we will be holding our annual **book swap**.

Children can bring in **one (or more)** books that they no longer want.

They then have the chance to choose and take home a different book to add to their home library.

Please make sure the books are not damaged.

Your children can start bringing in books now.

Hand them to the class teacher.

Don't forget to dress up as your favourite book character!
