

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 24th May 2024

Dear Parents/Carers,

As part of our Science unit 'Plants' we have organised for 3G to attend a workshop at Brockwell Park Community Greenhouses. There is no cost as this trip has been subsidized by FAB. The trip will be on **Monday 3rd June 2024.**

We will leave school at 10.15am and will return to school for normal dismissal at 3.15pm. Your child will need a packed lunch for this trip. If your child would like a school packed lunch, please indicate this on Scopay.

We will travel to and from Brockwell Park by bus. The children all have zip cards which they will use on the day. If for some reason you have it at home, please bring it in to school.

We will be outside for the sessions so please ensure your child has weather appropriate clothing. If it is sunny, please make sure your child has a hat and put sun cream on. Part of the workshop involves handling plants, so if your child suffers from hay fever, please ensure that they have taken medication prior to the trip.

Please give permission for this trip on Scopay. We will need parent support on the trip so let us know via Scopay if you are able to join us.

It is important that we always have up-to-date medical and contact information for your child. Please let us know before the visit of any recent changes.

If you have any questions, then please speak to your child's class teacher.

Kind regards,

Miss Gibbon & Mrs Woodley
Year 3 Class Teachers
