

Dear parents and carers,

BJS Federation of Schools

Executive Headteacher: Ms A.Parker, A (Hons), NPQH, NPQEL

Activity days for male carers and children, that were introduced within our family of schools last year, have been a fantastic success.

The combination of friendship, family time, activities and lunch, were very much enjoyed and appreciated by all.

Clubs for male carers provide a unique mutual support network that strengthen communities and present children with positive examples of male parenting, caring and learning at a crucial point of their development. This can have a profound impact on children's futures.

Since March 2024, these sessions have grown in popularity and more than doubled in attendance to almost a hundred, carers and children per session. The spectrum of dads and male carers is diverse and many new connections and friendships have already been formed. Dads and male carers meet on the last Saturday of each month. Activities this year will include visits to local parks, play areas, nature trails and greenhouses, a multitude of games, bike repair, bush craft skills, crazy golf and cookery. A free lunch is shared together as part of the session, and the lunch element is particularly important.

Following the success of these sessions last school year, the 2024 ambition is to develop a year round calendar for indoor and outdoor activities. We also hope to that children and families across our family of schools are able to benefit from being a part of the activities

Who will benefit from the project?

- Dads, uncles, granddads and male carers aged between 18 - 70, of all backgrounds, identities and faiths.
- Children aged between 4 - 11 of all backgrounds, identities and faiths.
- Households and the wider community

The next sessions will take place on **Saturday 30th November at Jessop Primary School, Lowden road, SE24, 0BJ.**

Entry and lunch is totally **free**. You are welcome to bring a contribution though this is not compulsory.

Further details are attached.

Please follow the link below to confirm your interested in attending the coming session on **Saturday 30th November 12:00pm to 2:00pm**
