

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 25th October 2024

Dear Parent/Carer,

Your child has been selected to take part in this year's **Primary Maths Challenge**. Created by The Mathematical Association, the Primary Mathematics Challenge (PMC) is a fun and exciting mathematical challenge. The PMC is not designed to be just another test in the school year. The PMC encourages enthusiasm, boosts confidence in mathematics and shows the different way questions can be asked.

The challenge will take place on **Thursday 21st November 2024** at **3:30pm** and will last **45 minutes**. I will be sending some past papers home with your child over the half term to familiarise themselves with the paper but I do stress- this is a challenge meant to boost confidence and expand their mathematical skills. If you feel this will add extra unwanted stress to your child, please let us know and we will ask another child to take their place. We only have 10 papers, so please let us know at your earliest convenience. If you have any further questions, please let me know!

Best wishes,

Miss Fahey
Year 5 Class Teacher

I give permission for my child _____ in class _____ to take part in the Primary Maths Challenge 2024.
