

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Thursday 29th January 2026

Dear Parents/Carers,

We are delighted to share that your child's experience with IntoUniversity has been a very positive one. 6K have engaged well with the programme where they are looking at the world of Engineering, learning about the different jobs within it, researching and finding out about various engineers, designing, experimenting and building different structures and working as part of a team.

We are writing to provide an important update regarding the upcoming class visit to St Mary's University on Friday, where students will take part in a graduation-style celebration. This visit is designed to give students a taste of university life and to recognise their hard work during the programme.

Unfortunately, the IntoUniversity tutors have informed me that due to limitations around space, security requirements, and the number of people the venue can safely accommodate, we are unable to invite parents and carers to attend the graduation event on this occasion. We understand this may be disappointing, and we sincerely apologise for any inconvenience this may cause.

Please be assured that students will be fully supported throughout the visit, and the event will be a special and memorable experience for them. We will also be happy to share photos and updates following the visit so you can celebrate your child's achievement with them.

Thank you for your continued support and understanding.
Kind regards,

Florence Kirk

Year 6 Teacher
UKS2 Assistant head
