

# BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Tuesday 3<sup>rd</sup> March 2026

Dear Parents/Carers,

This term we have been learning about plants and their life cycles, through our topic “**Let's Grow**”. To complete our topic learning, Reception will be going on a local area walk looking at the different plants and stages of growth in Clapham Common. This will also offer a good introduction to our next topic - “**Beautiful Beasts**”.

We will be going on our local area walk on **Monday 23<sup>rd</sup> March**. We will be leaving school at **9:30am** and returning in time for lunch at **11:30am**.

As this trip will be solely outdoors, please dress your child appropriately for the weather on the day with a coat and sensible shoes for walking outdoors. Both classes will be at school for lunch time so your child will not require a packed lunch for the day.

There will be **no cost** for this trip and **no packed lunches** will be required as we will be back in time for lunch.

Please give your permission on Weduc. We will also need parents to assist us on the trip, please indicate on Weduc if you are able to help us.

Many thanks,  
The Reception Team
