Year 2 Morden Hall Trip

Dear Parent/ Carer

In science this term, we are going to be learning about animals and their habitats. As part of this topic we have arranged for the children to visit Morden hall Park and investigate the habitats there. We will travel to Morden Hall Park using the underground.

2P will be attending on the Tuesday 7th July 2026

2G will be attending on the Thursday 9th July 2026.

Both classes will be led by Ms. Papakonstantinou.

We will aim to leave school at approximately 9.30am and will be back before 3.00pm.

There is no cost to this trip, however we do need permission which must be given using the WEDUC App by Wednesday 1st July.

As well as suitable clothing for the day, children will need a packed lunch. If you would like the school to provide your child with a packed lunch, please indicate this in WEDUC.

If you would like to come on this trip to support us, then please also indicate this in WEDUC.

We look forward to an exciting trip!

Thank you for your support,
