

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Thursday 18th June 2026

Dear Parents and Carers

In the coming weeks, we will be using our PSHCE (Personal, Social, Health, Citizenship and Enterprise Education) curriculum time to teach our RSE (Relationships and Sex Education) and Changes (Transition) syllabus.

These lessons will build on their previous learning and hopefully help them to understand their bodies more and the world around them.

Below are the areas that will be taught:

RSE

- Building on their understanding of the differences between boys and girls, the children will challenge gender stereotypes that are communicated by the media and challenge their own opinions of boys and girls.
- The children will develop their existing knowledge of human conception.
- The children will identify and discuss different physical and emotional changes through puberty

Changes

- Children will discuss the concept of change and understand the different kinds of change that they may experience.
- They will discuss their own personal experience of change, different emotions that they may feel in response and learn different coping strategies
- The children will discuss how they feel about moving on to secondary school.
- The children will reflect on their time in primary school.

Just to note, some of our transition work has already started. A member of staff from TFL came into our school to speak about Travelling around on public transport in a positive way and we also have had our year 6 transition social at Stockwell primary school.

In a couple of weeks, the children will again be taught by IntroUniversity where they will be doing a workshop on how to cope with a new secondary school.

If you have any questions or queries regarding any of the above, please contact your child's class teacher in the first instance, or a senior member of staff.

Yours sincerely

Florence Kirk

Year 6 teacher

UKS2 Assistant head
