

BJS Federation of Schools

Executive Headteacher: Ms A.Parker BA hons, NPQH, NPQEL

Wednesday 24th June 2026

Dear Families,

New Transition Arrangements

As we begin preparations for the new academic year, we would like to share some enhancements to our transition arrangements across the Federation.

At Bonneville, Jessop and Stockwell, we are committed to ensuring that every child feels confident, secure and excited about moving into their new class. We recognise that transitions can bring a mixture of emotions. Whilst many children look forward to meeting their new teacher and moving to a new year group, others may feel anxious about change and the uncertainty of what lies ahead.

To further support our pupils, we are introducing **two additional "Meet the Teacher and See Your New Environment" afternoons** before the summer holiday. These sessions will provide children with more opportunities to spend time with their new teacher, become familiar with their new classroom and learning environment, and begin building positive relationships ahead of September.

We have made this change because we know that strong transitions have a significant impact on children's wellbeing, confidence and readiness to learn. By increasing the opportunities children have to experience their new setting before the summer break, we hope to reduce anxiety, increase excitement and ensure that children return in September feeling settled and ready to thrive.

Our enhanced transition programme will provide children with opportunities to:

- Meet and spend time with their new teacher on multiple occasions.
- Become familiar with their new classroom and learning environment.
- Learn about routines, expectations and exciting learning opportunities for the year ahead.
- Build confidence and ask questions about their new year group.
- Strengthen relationships with their classmates and teaching staff.
- Feel more secure and prepared for the start of the new academic year.

Executive Headteacher: Ms A.Parker BA hons, NPQH, NPQEL

Alongside these additional transition afternoons, staff will continue to undertake detailed handover meetings to ensure that important academic, pastoral and wellbeing information is shared effectively between teachers.

We are excited to offer these enhanced transition opportunities and are confident that they will support children in making a positive and successful start to the next stage of their educational journey.

Further details regarding the transition dates and arrangements will be shared by your child's school.

Thank you for your continued support and partnership.

Regards,
Ms A.Parker
